Monologue

Me ! Me ! Me! Age before beauty! The chalice! The kid and I had a little heart-to-heart before. I told him to use his time wisely. Look who's talking - how much time have I got left? I'm a hundred and two I have shingles and arthritis, and when I break wind it could start the windmills on an old Dutch painting. But, I've still got one more round in me. Call me Cougar, but five'll get you ten there's a couple of 90-year-old hotties out there just waiting for this Grandma. Full Disclo... Full Disclo... I just peed a little.
