Why join the PTA?

The Parent Teacher Association (PTA) benefits your child. By joining, you not only benefit your school, but provide many advantages to students. There's no better way to get connected and know what's happening in school. You'll have a voice to effect change and be a part of the solution. The PTA plays an important role in advocating for building improvements, and fundraising for curriculum based programs and social events. All are invited to join - parents, teachers, family members, and students. Don't wait!

Our Goals and Events for 2019:

- ◆ STEM/STEAM Days
- ◆ Teacher Resources
- ◆ Playground Renovations
- ◆ Bingo for Books
- ◆ Literacy Night
