

# 2019 BC-3MD

BY [BCROASTERS.COM](http://BCROASTERS.COM)

The BC-3 MD is a great roaster for a coffee shop or a home startup business. It can roast from 8oz. to 3lb. per roast and up to 4-5 roasts per hour. It was built with the same components of the big commercial roasters. It has all the features most companies charge extra for built into the base price. No extra options to pay for. The 2018 model comes with the advanced and precise airflow control via the MDDS (manual damper) system. Solid heavy-duty stainless steel drum and built in profiling system for BT & ET. Direct-Connect chaff unit for efficiency & reduced footprint. Comes in choice of gas or all electric.
