

BE ADVISED

All roofs are brand new as of 2017/2018. **SATELLITE DISHES/ANTENNAS MAY NOT BE INSTALLED THROUGH THE ROOF SHINGLES.** It is the owner's responsibility to work with their service provider to ensure that the dish/antenna is either mounted "under" the eave or into the siding of the home. IN NO EVENT MAY THE MOUNTING HARDWARE PENETRATE THE ROOFING/SHINGLES.

Thank you in advance for your immediate attention and full cooperation
