

BARBERINO

THE BRAND

The brand's genesis draws inspiration from Fantasia's vibrant and dynamic personality, aiming to encapsulate her essence in a fusion of playfulness and sophistication. The goal is to craft a brand identity that remains true to her authentic self while exuding an air of elegance and contemporary flair.

The aspiration is to conceive a wine brand that seizes attention by seamlessly intertwining vivacity and refinement, resulting in an enchanting fusion of spirited allure and enduring refinement.

Regarding the logo, drawing inspiration from the name Barrino Wine, it is encapsulated within the initials BW, with the focal point placed on the word "BARRINO." The omission of the term "wine" is deliberate to eliminate redundancy, as Barrino alone is effortlessly legible, memorable, and offers consumers a seamless reading experience.

ELEMENTS OF THE DESIGN

Although the figure is inspired by Fantasia, its androgynous appearance makes it universally relatable.

The consistent use of red in each bottle embodies her brand, while other elements offer delightful variations.

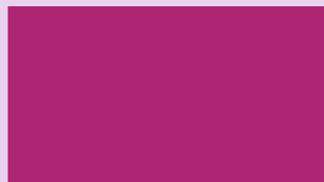

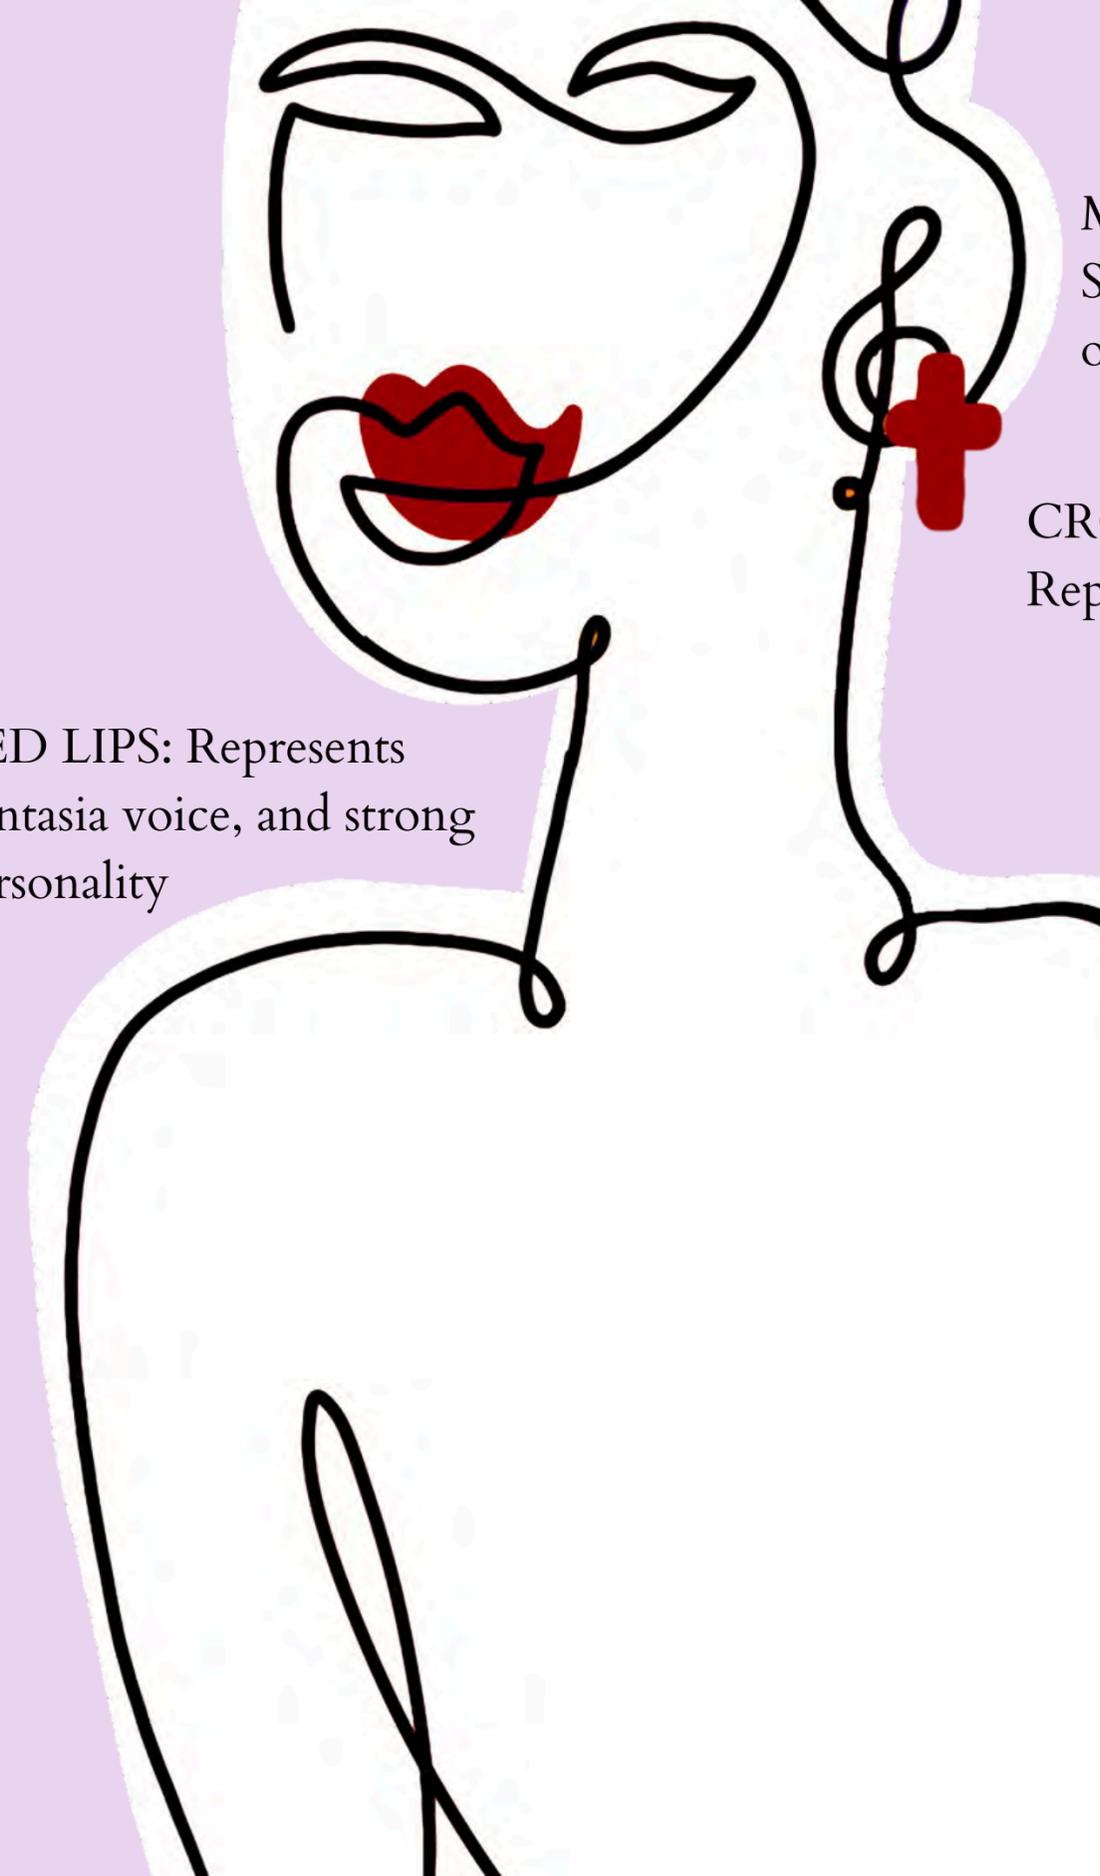

As her wine flavors expand, the opportunity to introduce additional colors arises.

*Please be aware that these preliminary sketches are in the developmental stage, and as such, the quality of lines and shapes is currently exploratory in nature.
