

BIG BAY FARM

SPRING 2018

HORSEMANSHIP DAYS

April 15 - 19, 2019
9am - 1pm

*Looking for fun filled
program for the April
vacation week?*

**Send the kids to the
Big Bay Farm
Riding & Horsemanship
program!**

The kids will spend the days riding, caring for horses and learning horse science, feeding, grooming, horse health and first aid.

This is a very active program. Children leave tired, happy and eager to come back.

Please dress them warm and pack a lunch. Microwave is avail for heating food. We have a heated tack room to get out of the cold.
