THANK YOU for supporting Youth in a BIG WAY! These exhibitors take on great responsibility and a lot of risk, when making the choice to raise a market steer project. We know how important it is to support youth, but also know the huge monetary commitment that comes with it. Your support is not taken lightly and we want to ensure that you understand our promise to you, as a buyer. We GUARANTEE that 100% of the monetary commitment that you make will go directly into the hands of these exhibitors. We do not take any portion, as a fee or charge, and we never will! We believe in full transparency and that is why if you have any questions, at any time, we ask that you reach out to us. We value your part in making sure these exhibitors are rewarded for the hard work that they have poured into these projects and just want to say THANK YOU again.
