Kids love stickers! Stickers aren't just fun, they are also great educational tools! Manipulating stickers is an excellent way to develop the fine motor skills kids need for kindergarten. The Ready to Learn™ Animals A-Z Sticker Book is an engaging supplement to the Ready to Learn™ Kindergarten workbooks and workpad. This book makes learning fun and reinforces the skills necessary for success in understanding the alphabet and developing reading skills all by using fun and colourful stickers!

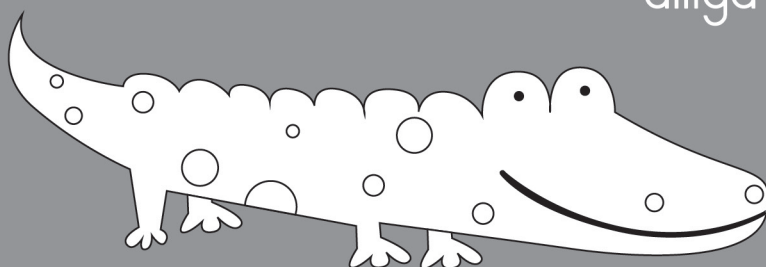

Find the missing animal and letter stickers from A to Z and practise tracing the letters along the way. Then colour the animals.
