

Recognizing parts of words can help children sound out words faster. Look for "chunks" in the words you read.

Circle the words below that have the chunk shown on the left.

ip	mop	tip	flip
ill	mill	hill	jack
op	hop	hip	top
ut	but	hat	cut
sh	ship	chip	shop
ch	chick	chop	that
th	this	what	thick
at	hop	hat	cat
an	fan	ran	rat
ack	back	bat	tack

Use the chunks below to create words by adding beginning letters. Write the beginning letters on the lines below. Then read the words you created and colour the caterpillars.
