Photographer Request

To showcase the full experience of my photography sessions, I sometimes record parts with my phone on a gimbal set up in the shooting space. This footage is generally used to create videos to share on social media pages, my website and potentially for advertising and marketing material.

Do you give permission for session to be recorded for these purposes?

Do you give permission for me to share images from your edited gallery on social media pages, website and potentially used for advertising and marketing materials?

Thank you for taking the time to provide that information. If you have any questions please do not hesitate to contact me.
