ARRIVING FOR YOUR SESSION

- Parking is available directly outside the studio. If no spaces are available, guest parking can be found across from the coffee shop at the front of the complex, approximately a 60 metre walk away.
- As the main shooting area is located upstairs, I generally recommend leaving prams in the car where possible.
- When you arrive, please ring the Ring Doorbell located at the front entrance.
- Please aim to arrive 5–10 minutes before your session. This gives everyone time to settle in, get comfortable and start the session feeling relaxed.
- If you are running late, please send me a quick message.

YOUR STUDIO EXPERIENCE

The studio has been thoughtfully designed with families mind and includes:

- Kitchen area with microwave and kettle
- Complimentary snacks and drinks
- Private bathroom
- Nappy changing facilities with wipes provided
- Comfortable seating and waiting areas
- Everything is designed to help you feel at home during your visit.

CLIENT CLOSET

- My client closet has items for kids from Newborn-14 Boys & Girls, XS-XL Women's, XS-XXL shirts for Men and a range of Maternity gowns.
- There is a Client Closet page on my website with all the items and sizes.

FOOD & REFRESHMENTS

- Complimentary light snacks and drinks are available throughout your visit.
- If you have any food allergies or dietary requirements, please check ingredient labels before consuming any items provided.
- For Cake Smash sessions, cakes are not supplied by the studio.

NEWBORN SESSIONS

- If your baby is bottle-fed, please bring enough formula or expressed breast milk for top-up feeds throughout the session.
- Newborn sessions are completely baby-led. I allow for plenty of breaks whenever you need through the session.
- If possible, please try to give baby a feed and burp just before coming to the session; having a full belly usually helps them settle a little better.
- Do' t stress about what they wear to and from the studio, I have a range of newborn outfits, and a whole wall of wapping fabrics - Literally every colour imaginable!
- If baby has any comforters or a dummy you're welcome to of course bring these with you. Noting that this can sometimes mean they will be in the photos too. Further to that note, any siblings who have similar toys/ comforters are welcome to bring them along.

HEALTH & RESCHEDULING POLICY

- The health and safety of all families, particularly newborns and young children, is extremely important.
- If I become unwell within 48 hours of your session, or if anyone in my household becomes unwell within 24 hours of your session, I will contact you to arrange a new date.
- I kindly ask that you do the same if you or anyone in your household is feeling unwell.
- I am always happy to reschedule where needed to ensure everyone's wellbeing.
