7/8 yard fun cotton print

  - **Accent Fabric (Optional):**
  - Coordinating thread

-

## Cutting Instructions

Cut fabrics as follows:

- **Main Fabric:**  
Cut 1 26 ½ x 41
- **Cuff Fabric:**  
Cut 1 piece 10x41

Tip: Width of fabric is usually 40–42". Trim to 41" if needed for clean edges.

---

## Sewing Instructions

### Step 1: Layer the Fabrics

1. Place the **cuff fabric** right side **up**,

2. Place the **main fabric** right side **down** on your work surface.

3. Align edges.

All raw edges should be lined up evenly along the top.

---

## Step 2: Roll It Up (The Burrito Part!)

1. Starting at the bottom of the main fabric, **roll the fabric tightly upward** toward the layered edge.

2. Stop rolling about 1–2 inches before the top raw edge.

- 3.
4. Take the bottom edge of the cuff fabric and **wrap it up and over the rolled fabric**, enclosing the roll completely.

5. Align the cuff's bottom raw edge with the other raw edges at the top.

You should now have a "fabric burrito" with all raw edges aligned.

---

### Step 3: Stitch

- Pin or clip through all layers along the aligned raw edge.

- Sew using a **1/4" seam allowance** across the entire width.

---

### Step 4: Turn and Press

1. Reach inside the tube and **carefully pull the rolled fabric out**.

2. Push out corners and smooth everything flat.

3. Press the seam flat, then press the cuff away from the pillowcase body.

## Step 5: Finish the Pillowcase

1. Fold the pillowcase **right sides together**, matching raw edges.
2. Sew along the long side and bottom

3. Turn right side out and give it a final press.

---

## You're Done! 🎉

Your Roll It Up (Burrito) Pillowcase is complete—no raw edges inside and a beautiful professional finish.
