

Specifications

Item	3M	Winner Medical
Aerosol Type	Non-Oil	Non-Oil/Oil (N95 White)
Braided Comfort Strap	Yes	Yes
Brand	3M™	Winner
Cartridge or Filter Included	Yes	Yes
Case Quantity	120	1000
Class	Market Leader	Chinese Market Leader
Exhalation Valve	No	No
Faceseal/Nosefoam	Nosefoam	No
FDA Cleared	Yes	FDA EUA (Emergency Use Authorization)
Features	Advanced Electrostatic Media	Advanced Electrostatic Media
Filter Class	N95	N95/FFP2
Flame Resistance (ASTM D2859-96)	No	No
Flammability Rating	Class 1	Class 1
Fluid Resistance	120mm Hg	160mm Hg
Fluid Resistant (ASTM F1862)	Yes	Yes
Gas & Vapor Protection Type	Particulates	Particulates
Individually Wrapped	No	No
Market	Aerospace, Defense, Homeland Security	Industrial/Health care/Daily protection
Model	1860	WN-N95FW / WN-N95FGIN
Natural Rubber Latex Components	No	No
Product Color	Teal	White/Green
Product Type	Healthcare Respirator	Healthcare Respirator
Purpose	Healthcare Respirator	Healthcare Respirator
Recommended Application	Agricultural Production, Airborne Biological Particles, Bagging, Dry Chemical Handling, Foundry Operations, Grinding, Petrochemical Manufacturing, Processing of Minerals, Sanding, Textile Operations	Agricultural Production, Airborne Biological Particles, Bagging, Dry Chemical Handling, Foundry Operations, Grinding, Petrochemical Manufacturing, Processing of Minerals, Sanding, Textile Operations, Healthcare
Recommended Industry	Health Care	Health Care
Respirator Size	Standard	Standard
Respirator Style	Cup	Folded
Segment	Personal Safety	Personal Safety
Size	Standard	Standard
Standards/Approvals	N95 & FDA Cleared	EN 149 & GB2626 & CE FDA EUA (Emergency Use Authorization) USA CDC NPPTL TEST REPORT
Strap Attachment Type	Braided Comfort Strap	Braided Comfort Strap + silicone ring
