Registration is OPEN for 2025-2026

The schedule for the coming year is out and registration is open. We hope that you will join us for the 2025-2026 season of dance! Please note that it is completely normal for students to spend two years in the same level. We have at least 2 curriculums for each level so it will never be a repeat of the same class.

HELP WANTED

Demo Recruitment Coming

We will be sending information out to recruit for teacher's assistants (demos) for the coming season. Eligible dancers are 7th grade and older. Dancers receive a tuition reimbursement for each hour they work. This is a wonderful opportunity to grow as a dancer while earning some money! Watch your mail and email for details.
