2025 Online Sale

Purebred Sheep Breeders of Ontario Press Release

The 2025 Online Sale, facilitated through DLMS, was hosted in conjunction with the Flock Fusion Junior Expo at the Rockton Fairgrounds from June 27 – 28, 2025.

Through the sale, buyers from 5 provinces purchased 35 of 39 animals offered for sale. Prices averaged \$944 for rams and \$867 for ewes. The top-selling ewe was a Suffolk yearling ewe, Strathearl 2M consigned by Strathearl Suffolks of Rockwood, ON and sold for \$1700 to Jordan Livestock of Rimbey, AB. The top selling rams were Hampshire ram lambs, Green Valley 14N and Green Valley 21N consigned by Green Valley Hampshires of Rockwood, ON and sold for \$1900 to Mountain View Farms of Langley, BC and Marbren Farm of Coldwater, ON, respectively.

Sale results for every animal can be found on the next page as well as on the Purebred Sheep Breeders of Ontario website, www.psbo.ca, at a later date.

The PSBO sale sub-committee and directors are extremely appreciative of the provincial and national support it receives from recurring and new consignors, bidders, and buyers. As preparation begins for the 2026 PSBO Online Sale, our organization will continue to align with our mission of encouraging youth involvement in the sheep industry and the promotion and advancement of purebred sheep in Ontario and Canada.
