Memorandum of Understanding

Between
Beyond the Lab
and
Learning while Travelling

Preamble

Assam's top Engineering College ignites student passion for science with "Beyond the Lab," a dynamic science fair returning for its second round at the "Udbhavanam 12.0" festival. This electrifying event, held alongside the region's biggest music fest "Pyrokinesis," welcomes school, high school and university students to showcase their inventive spirit and compete for recognition. Expert judges will rate projects based on originality, feasibility, innovation and presentation, with prizes awarded to the brightest minds.

This Memorandum of Understanding (MoU) is entered on the date 9th February 2025 between the event "Beyond the Lab" under Udbhavanam, a part of Pyrokinesis, and Learning While Travelling to establish a collaborative framework for the successful execution of the event.

Deliverables from ' Learning While Travelling'.

- Flight Ticket Scholarship worth Rs 30000/person for 6N7D Amsterdam/Singapore Internship Trip to Winners + Runners (10 scholarship offers)

Responsibilities of Beyond The Lab

- Learning while Travelling (LWT) as the ecosystem/knowledge partner for the event declared on Instagram/Linkedin.
- Details of the winners and participants as in Ph no., Email ID within a week of event completion date.

Duration and Termination

- This MoU is valid from the date of signing until the conclusion of Beyond the Lab
- Either party may terminate the agreement with a written notice of seven days.

Amendments

This MoU may be amended by a written agreement signed by representatives of the parties. In the event of any unforeseen incident during collaborative activities, the parties agree to negotiate a mutually acceptable solution. Should any disagreement arise out of the application, interpretation, or implementation of this Agreement, the Parties shall endeavor to exercise best efforts to negotiate their differences.

In the witness whereof the parties here to have signed this MoU as of the day and year first above mentioned
