

PHC/IPM Division Technician

Pratt's Lawn & Landscape, Inc.
1839 Lexington Rd
Georgetown, KY 40324

Hourly Range: \$19.00 - \$24.00 per hour depending on experience/education
Full-Time

Who We Are:

Based in Georgetown, Kentucky, Pratt's Lawn and Landscaping has been serving Scott County, Fayette County, and surrounding counties of Kentucky since 1993. We offer year-round, comprehensive commercial grounds maintenance services, residential landscaping, residential lawn care and commercial snow removal. With the help of our amazing team, we provide exceptional care to our growing client list with a focus on people, safety, and quality – all while making a positive impact in the communities we serve.

Position:

Pratt's Lawn & Landscape is currently seeking a full-time Technician in the greater Lexington area for our Plant Health Care/Integrated Pest Management (PHC/IPM) Division. The ideal candidate will be highly organized, a self-starter, motivated and will have a willingness to learn. The Technician will be responsible for performing treatments on our residential and commercial clients' greenspaces. Our technicians work closely with all production staff to provide year-round service to a variety of residential and commercial clients. You will be a partner in growth and will report to the PHC/IPM Division Production Manager.

Responsibilities:

- Be responsive and proactive to our client's needs
- Ensure customer satisfaction by providing thorough treatment and identifying potential problems in client's lawn and/or landscape
- This is a fast paced and dynamic position, so you'll need to be able to prioritize responsibilities and multi-task
- Collaborate with other technicians to ensure we are doing our best work in a safe and efficient manner
- Work closely with all production personnel to ensure client needs and expectations are being met
- Work with our software system and field management system throughout the workday
- Be responsible for the company's property i.e. company vehicles, equipment, worksites, etc.
- Always conduct yourself in a professional manner

Qualifications:

- A minimum of one (1) year in the lawn care, landscaping and/or grounds maintenance field is preferred, but not required
- Must have a high school diploma or equivalency - work experience will be considered if education requirements are not applicable.
- Ability to effectively communicate with internal employees and clients
- General horticultural/agronomic knowledge
- A valid KY State driver's license with a clean driving record and the ability to pass and background check and drug screening
- Able to manage and prioritize multiple tasks at once

- Proficient with technology
- A willingness to contribute and learn

Benefits:

- Medical, Dental, Vision & Life Insurance
- Retirement Savings Plan with company match
- Company bonuses based on personal and company performance
- Company sponsored training and certifications
