

There will be a primary 03/08/21 for Federal, state, and county offices. This notice will be updated the first week of December to include Federal and State offices and again after the candidate filing period to include candidates who will be on the ballot. As soon as ballot styles are printed, this county board of elections will update this notice with the certified candidates for each office and ballot measures and referenda questions that will be on the ballot. For General Elections during even-numbered years, ballots will be printed 60 days prior to the election. For statewide primaries and other elections (except municipal elections), ballots will be printed 50 days prior to the election. You must request an updated Election Notice. This notice may be used in conjunction with the federal write-in absentee ballot (FWAB). Covered military & overseas voters seeking to vote by absentee ballot may use the FWAB to register to vote, request an absentee ballot, and vote an official military-overseas ballot. When using the FWAB to register to vote, and/or request an absentee ballot, please transmit your signed and completed FWAB no later than 5:00 p.m. on the day before Election Day.
