CAROL WEBER

Carol's journey is a testament to the **beauty and perseverance of faith in God.**

Over the past three years, she has felt His unwavering love and guidance, seeing herself as a cherished "Gem" in the eyes of Jesus Christ.

Her arrival at Crosspoint Church in Farmingdale, NJ, marked a turning point, deepening her faith through the Tuesday morning Ladies Bible study and her involvement in the Women's Ministry.

As a devoted mother of three children, three stepchildren, six grandchildren, six step-grandchildren, and two new step-great-grandchildren, Carol finds joy in her family. Living in Wall Township, her career as a Professional Animal Caregiver reflects her nurturing spirit, as she lovingly refers to her clients as "fur babies."

The Scripture, ***"Be still and know that I am God," resonates with her, teaching her the importance of trust in His sovereignty.***

Carol hopes her testimony inspires women to lean on the Holy Spirit, release their fears, and find hope in Jesus, knowing He will see them through any challenge.
