Our Concrete Building System

- Equipment to fit any yard or any situation
- Our RCM is road base approved for 98% compaction
 - Supply 4-12" compacted gravel based on concrete thickness
- Tamped in multiple lifts to achieve compaction

STAGE 01

STAGE 02

Our skilled carpenters can form Foundations, Steps, Curves or any custom design

Vinyl rebar is proven to have more than 2.5 times the tensile strength of traditional steel
Noncorrosive against moisture and salt

STAGE 03

STAGE 04

- 1) Place concrete
- 2) Aluminum Screed
- 3) Magnesium float

- 4) Steel trowel
- 5) Release powder and stamp

STAGE 05

STAGE 06

- Relief cuts
- Stripping forms
- Backfill
- Commercial grass seed

Wash and buff concrete
Apply commercial grade sealer
Apply commercial grade anti slip

STAGE 07

Our Concrete Building Envelope

35 Mpa Concrete
5-7% air

Fiber Glass Rebar
2.5x Strength

Compact and insulated base

Polymono Micro fibers

Stronger concrete prevents long term damage

Micro fibers help prevent surface cracking

Rebar holds concrete structurally together and prevents major separation

Solid base keeps concrete from settling or heaving

PROJECT NOTES

See Our Reviews!

AARON WISEMEN

Exceptional Concrete Services
A Five-Star Experience. ★★★★★

First and foremost, their communication was top-notch. Right from the initial inquiry to the completion of the project, the team at Spence Canadian Concrete kept me well-informed at every stage. They were prompt in responding to my queries, providing clear explanations, and ensuring that I was comfortable with the entire process.

I wholeheartedly recommend Spence Canadian Concrete to anyone in need of concrete services. They are a five-star company in every aspect – from communication to craftsmanship. I wouldn't hesitate to work with them again in the future and am confident in recommending them to others seeking top-notch concrete services.

ERIC CLARKE

Outstanding Driveway
Transformation ★★★★★

Spence Canadian Concrete deserves a solid five stars for their exceptional service, especially in transforming my driveway. From the beginning, their communication was impressive, keeping me informed throughout the project. The quality of their concrete work surpassed expectations, showcasing a level of precision and craftsmanship that sets them apart. The team was not only skilled but also courteous, leaving my property spotless. I highly recommend Spence Canadian Concrete for driveway projects and any concrete needs – a hassle-free experience and excellent results!

ADAM BAKER

Exceptional Outdoor
Kitchen Craftsmanship! ★★★★★

Spence Canadian Concrete delivered exceptional service in creating my outdoor kitchen. Their communication was impressive, keeping me well-informed throughout the project. The quality of their concrete work exceeded expectations, showcasing precision and craftsmanship. The team was not only skilled but also courteous, leaving my outdoor space immaculate. I highly recommend Spence Canadian Concrete for outdoor kitchen projects and any concrete needs – a hassle-free experience with outstanding results!

SAMATHA COOK

Title: Perfection in Backyard
Patio Craftsmanship! ★★★★★

Spence Canadian Concrete showcased perfection in crafting my backyard patio. Their communication was impeccable, keeping me informed every step of the way. The quality of their concrete work surpassed expectations, revealing precision and craftsmanship. The team, both skilled and courteous. I highly recommend Spence Canadian Concrete for backyard patio projects and any concrete needs – a seamless experience with remarkable results!

MASAO YAMADA

Title: Exceptional Poolside Transformation!

As a delighted customer of Spence Canadian Concrete, I felt compelled to share my experience with their outstanding service in transforming my poolside area. From the beginning, their communication was impeccable, ensuring I was well-informed throughout the project. The quality of their concrete work went beyond my expectations, showcasing precision and craftsmanship that resulted in sheer perfection. The team, a blend of skill and courtesy, left the entire area immaculate. I highly recommend Spence Canadian Concrete for poolside projects and any concrete needs – an effortless experience with remarkable results!

WILLIAM GLASS ★★★★★

Title: Unmatched Craftsmanship for Front Porch Renovation!

I'm thrilled to share my experience with Spence Canadian Concrete, having recently entrusted them with the renovation of my front porch. Their communication was stellar, keeping me in the loop at every stage of the project. The concrete work they delivered was nothing short of perfection, highlighting precision and impeccable craftsmanship. The team, both skilled and considerate, left the entire area looking flawless. For front porch renovations and any concrete needs, I wholeheartedly recommend Spence Canadian Concrete – a seamless experience with extraordinary results!
