There is no financial compensation to teams effected by these situations.
5. Referee can end the game if player age and name are not validated to correctly match the roster after reviewing ID. The score will be an automatic win to the team that abided by the rules. Winning team will receive points for all goals scored up until that point. If no score was recorded at time of verification an automatic score of 8:1:0 will be awarded.

be considered an illegal player. We have a zero tolerance for cheaters. Your team will be eliminated from the remainder of the tournament and not allowed back the following year.

14. Players, Spectators & Team Supporters: Coaches/team managers will be held responsible for any action by their spectators or supporters. This is the Friendship Tournament ...Our referees and/or tournament director have the right to penalize the team of which the spectators are supporting by way of red card or if needed tournament elimination. All players are adults, and we expect you to act like adults. In the event of violence or life-threatening action we recommend you call 911 as your first action prior to finding a tournament official. Your team can and will be red carded for misbehavior of your spectators on the sideline.

1. **Music/Horns/Bullhorns/Megaphones-** No loud music is to be played/bullhorns/airhorns/megaphones etc. used on sidelines as games are being played. 2. **TRASH** – Teams leaving trash on the fields will be issued a **RED CARD** by referees on field. Tournament director will provide trash bags to anyone requesting one at the tournament tent.
3. **TAILGATING-** There is **NO TAILGATING (to include grill set ups, food distribution or buffet) ALLOWED on the fields or parking lot.**
 - i. If you tailgate in the parking lot the park police can and in some cases will issue each vehicle tickets for the infractions. In our experience for smaller events, the people who keep the entire tailgate area visually always trash free and leave all bagged trash IN trash cans in the lot they are much more tolerant and forego the ticket. I have watched the park police patrol hourly to wait for someone to mess up and justify a ticket. We can give you trash bags for the parking lot cans for free at check in tent.

15. Use of obscenities (to include racial slurs, gender sensitive, sexuality sensitive in any language) or statements made to be taken in an offensive or threatening way will not be tolerated. It is the coaches/managers responsibility to keep their sideline fans and players in line. Failure to do so may result in a red card or up to disqualification from the tournament for your team. Obscenities in all languages, not just English.

16. Referees. The referees are to be treated with the most respect. They are in control of the field and game. If you have a concern or compliment about a referee, please bring it to the attention of the referee coordinator.

1. All players/coaches/managers have access and are highly encouraged to complete a referee feedback form online via the roster, after each game.
2. All feedback will go directly, real time, to the referee assignor. Prior to the start of Sunday games all good/bad feedback submitted Saturday will be shared with referees in morning meeting to be used in a productive way. Without specific information provided by the players real time we can't fix any issues or concerns you may have while we have an opportunity to resolve it.

17. Zero Tolerance

1. we have a zero-tolerance policy for physical and verbal attacks
2. we have a zero-tolerance policy for racial, sexual, and all hate speech
3. we have a zero tolerance for weapon of any kind

4. **any player/manager that swings at or physically assaults another player/referee/tournament staff will automatically cause the entire team to forfeit the game and remainder of the tournament immediately.** Player will be banned from all future tournaments. The team's fate for future events will be decided by the referees effected, referee assignor, and the tournament director at that time.
 5. teams are responsible for their sideline guests. Guest that are causing issues for players on either team/ yelling inappropriate things/ slurs/ cursing/ making threats can cause their team to be red carded and/or suspended from the tournament.
 6. Any team whose players, and/or supporters that enter onto a field during a disturbance, fight, and/or altercation may be suspended for the remainder of the tournament and not allowed back.
 7. Our referees are the onsite judge and jury on the field, if they deem the person or team is a threat to others along with the referee coordinator there will be no additional consideration needed for elimination by the tournament director.
18. **Home Teams:** Home teams will be listed first on the schedule, furnish the game ball, and choose "starting side". Opponents will "kick off". There is no coin toss.
1. **Home team must remain on the east sidelines and away team on the west sidelines.** You are not to set up your team or spectators on the same side as the opposite team.
 2. **At these fields you can tell east/west by: East** – look for the hotels on the strip this is east. **West** – Mountains & Durango Road (you most likely drove this road to get to the fields).
19. **Game Ball:** Teams are to provide their own game balls. We do not always have a working pump; it is recommended you bring your own.
1. Home team supplies the game ball.
 2. We recommend bringing extra balls, we do not always have them for sale.
20. **Substitutions:** Substitutions are unlimited, for both teams, and allowed on all stoppages except free-kick restarts for fouls, offside, and penalty kicks. Note: Referees are required to keep a running clock therefore times will not be stopped except for medical emergencies when Public Service Emergency paramedics are on the field. In the event a game is stopped to wait for medical emergencies game may be considered final. Game will not run late to make up time lost on the field.
21. **Players on the field:** If at any time players on the field exceed 11, the opposing team should stop immediately in place until referee has removed excess players. Both teams are responsible for always keeping track of # of players on the field. Team at fault will be deducted 1pt (from total points, regardless of game). If the faulted team scored in this time frame, the goal will be disallowed, last player who entered the field will receive red card.
22. **Side Tackling:** Slide Tackling is not recommended for any teams due to the uncertainty of field conditions. Teams that collectively agree (both team managers and referee together) will be allowed to decide on slide tackle allowance prior to each game. **Not agreeing prior to start of the game assumes NO SLIDE TACKLE.** Teams should refrain from any slide tackling for the purpose of potential injury. Players who slide tackle another player do so at their own risk to themselves as well as their opponent.

23. **Tournament Score Cards:** Referees are required to accurately record the final game scores on the provided scorecards. To avoid problems in the reporting of the scores it is the **coach's responsibility to meet the ref after the game and physically double check the final score on the scorecard at the end of each game and sign the game card acknowledging the recorded score is correct.** Scorecards are then turned into tournament director within the following hour of game play and posted on the scoreboards near the tournament director's tent within 2 hours. Failure to verify the game score by a coach at the end of a game could result in a referee error on reporting a game score. Signing the game card is not mandatory but highly recommended as once the game score is recorded (to match the card) the tournament director will not change the scores due to an error you did or did not verify. The score and assigned point value will remain as reported with no change regardless of a win-loss situation.

24. **Send Off (Red Card) Violations:** A player ejected for a Red Card violation will be suspended for the remainder of the game to which they were issued the red card PLUS the following game. Teams will not be allowed to substitute a player for a red card violation and must pay shorthanded.

1. When receiving a red card, it will be noted on the following game card so referees are aware, it will also be viewable to all attendees via the online roster.
2. Depending on the severity of the ejection the tournament director has the right to extend such suspension to additional games. A second red card offense will automatically suspend the player from the remainder of the tournament.
3. When asked by a referee, players receiving a red card must provide their name to the referee. Failure to do so requires the team coach to provide the name of the red-carded player. In the event that no cooperation by the team coach is given, the referee will note on the scorecard and inform tournament officials. Additionally, the game can be ended by the referee for non-cooperation, and the tournament director, who at her discretion, may suspend the team from further competition or impose other sanctions pending her review.
4. Tournament director WILL NOT reverse yellow/red cards issued by the referee on the field. There are 3 sides to the story, your team, the opposing team, and the referees...Our referees are the eyes, ears, judge on the field and we will defer to their call as we were not there to watch it. If you have a concern with calls, professionalism, or any referee issue please use the real time referee evaluation form while at the fields so we can review it at the end of the day and address any issues or compliments that need to be tended to while we can do what needs to be done prior to additional games.
5. **Team managers will be issued a RED CARD and penalized 1pt for leaving trash on the sidelines. Referee to note penalty on score card. They also have the authority to do this if your sideline crew is being disruptive to the players on either team as well as referees.**

25. **Protest.** Any team that walks off the field during the match, as a protest gesture, will forfeit that game plus lose 3 points off the scoreboard.

26. Waiting Period

1. teams must be ready to compete at the assigned scheduled field/time unless otherwise noticed by tournament director personally regarding a change
2. there will be a waiting period of 10 minutes. referees will keep track of time.
3. late starting games due to waiting for a team to show will result in time lost (subtracted from first half)
4. team at cause of delay start will be penalized by 1 point. referee to note on score card (coach's responsibility to verify at the end of that game)

27. **Minimum Players:** All teams must have a minimum of 7 players to begin each competition at the scheduled time of play, on the field, in their positions (not standing on the sidelines).
1. Teams with less than 7 players at the conclusion of the 10-minute waiting period will forfeit the game and lose 1 point.
 2. The opposing team with more than 7 players present on the field shall be awarded the score of 1-0 and 8 points. Referees are responsible for recording this on the game scorecard.
28. **“No Show” Team:** A “No Show” team is defined as a team that does not show up to the tournament (starting with game 1 for 2 or more consecutive games) for circumstances beyond our control. A refund will not be given to the no show team.
1. All remaining teams in the group need not show up for such scheduled games, all remaining teams will automatically receive 10 points and goals scored will be reported as 1:0
 2. There is no financial compensation or reduced entry fee for any following tournaments for any team that ends up playing less than the minimum guaranteed number of games because of a no-show team/game at this tournament.
29. **Points: Win =6 points Tie= 3 points Loss=0 points**
1. Each team will receive 1 point for each goal up to a maximum of 3 and 1 for a shutout.
 2. Maximum allowable points per game are 10
 3. A 0:0 tie will be counted as 4 points for each team (3 for tie, 1 for shut out).
30. **Completion of the game:** All games must play through final whistle to completion. Teams that decided they want to end a game short because they are up by a large score count and would rather rest to play in an impending semi-final or final will not be allowed to advance to those rounds.
31. **Forfeited Games (games 1-3):** Forfeit games will be scored 1-0 and will count as 8 points for the winning team. (6 for win, 1 for goal, 1 for shut out).
1. **ALL games must be played to completion advance to semi-finals & finals.**
32. **Forfeited Game Due to Fighting** – If a game is ended due to fighting, the team that started/caused the fight (assuming the opposing team did not fight back) will automatically forfeit the game and will be suspended from the remainder of the tournament, possibly all future events. The opposing team will automatically get a score of 10pts (6 win, 3 goals, shutout).
33. **4th Game Forfeited:** Teams whose 4th game was forfeited by its opponent will receive a score of 1:0 (1 goals for, 0 against) and 8 points.
1. Teams that previously played a team that forfeited it’s 4th game will have their points REDUCED or INCREASED to 8 points depending on what was awarded at the time the game was played.
 - i. Goals that were earned will be kept the same.
 2. Teams placed into a group where another team had forfeited it’s 4th game may be eligible to advance within their group due to the adjustment of points awarded. Therefore, it is extremely important for all the teams to check the final points allotted within their respective groups prior to the finals.

3. There is no financial compensation or reduced entry fee for next year's tournament for any team that ends up playing less than the minimum games as a direct result of a forfeit game at this tournament.
4. **Teams that forfeit preliminary games will not be allowed back to the tournament in the following year.**
5. **Teams must have played all their preliminary games to advance to semi-finals/finals regardless of total points awarded.**

EXAMPLE of score changes...

1. A team which won against the team that forfeited it's 4th game with a score of 5:0 for 10 points earned will have the 10 points reduced to 8 points. The 5 goals scored will be kept and counted
2. A team which lost against the team that forfeited it's 4th game with a score of 2:0 had earned 0 points will be granted 8 points.
3. All of the points (not goals) are changed to be even across the board. The team who didn't play their 4th game because it was forfeited against does not have the opportunity to play and score 10 points, therefore the only way to make it fair is to adjust every teams score that the forfeited team previously played.
