**REFRESHMENTS FOR
NEXT MEETING:**

Please note that refreshments are provided each month by members who voluntarily bring them. If you haven't brought any in a-while, bring enough of your favorite snack for everyone. Or, if you aren't that good a cook, stop by a local business and buy something suitable for our meetings.

Future Monthly Meetings

* July	12, 2019	7:00
Aug.	09, 2019	7:30

Well, summer has arrived! This past weekend was for the dedicated hunters only and even those were suffering with the heat and humidity! If you do go out please remember to hydrate often and take plenty of breaks. A cold towel for your neck also goes a long way in keeping the heat at bay.

Looking forward to our upcoming "July 12th" celebration! Don't forget to bring your favorite side dish(es) or dessert(s). The club will provide the supplies and Ed is doing a brisket for us and I for one can't wait to dig in!

Remember that there will be no Finds of the Month this month so save your treasures for the August meeting at which you will be allowed to enter two per category.

Also, please remember that many of our members come to our club meetings right after work and while not mandatory, snacks and drinks is very much appreciated by the club and its members.

Finally, those who joined us at last month's club "fun" hunt will attest that we all had a great time searching the grounds of 1910 era homes. Several of us were able to get out and I am working on something similar for the near future once the heat starts to abate.

I hope all your hunting is finding and look forward to seeing everyone soon.
