REFRESHMENTS FOR NEXT MEETING:

Please note that refreshments are provided each month by members who voluntarily bring them. If you haven't brought any in a-while, bring enough of your favorite snack for everyone. Or, if you aren't that good a cook, stop by a local business and buy something suitable for our meetings.

I hope everyone had a wonderful Holiday Season with family and friends and were able to enjoy some of the wonderful weather we had to get out and hunt some. Only in Texas can we hunt in shorts right after New Year's Day!

We have a lot to be looking forward to over the next couple months. Garrett announced that there will be a Charles Garrett Memorial Hunt to be held in Canton, TX this year. I know that I'm already registered and looking forward to it and hope to see many more club members there on March 27-March 29th. A couple weeks prior we have the annual Texas Association of Metal Detecting Clubs Treasure Show. This will be March 13-March 15 and will be held in Bryan, TX this year. Nugget Noggin will be the featured speaker/guest and we look to be well represented at our exhibition booth. I am asking that anyone planning to attend or willing to help man the booth stay a little after our next club meeting on Friday, January 10th to discuss what is needed for the event.

Remember this month we are able to enter two items per category in our finds of the month and I know there have been some incredible finds made since we last met in November and look forward to seeing them all.
