

February 5, 2025

TSWGA CLUB REPRESENTATIVES,

It is my great pleasure to invite you and your players to what will be the 70th playing of the TSWGA Annual Match Play Tournament, May 4-8, 2025. Our host Club this year is a terrific venue, Abilene Country Club. It is hard to believe that so much time has passed since our esteemed founder Miss Hilda Urbanke first imagined this wonderful event. We are grateful for her energy and love of golf that has brought thousands of women to take part in this event, play many and varied courses around Texas and call other senior women golfers worthy competitors and friends.

As your Club's Representative you have been a huge part in our continued success. Thank you so much for encouraging your players to register, play and keep repeating that process from year to year as well as bringing newer and younger players to our event. You bring words of changes and information from the Board of Directors, and you are a resource that we truly appreciate.

Now to tournament information. Online Registration has been shortened for 2025. Registration will open online March 15th and go until Monday March 31st . The complete tournament schedule and information about local housing and hotels will be on the website when registration begins March 15th. Our entry fee remains at \$300.00 per player which the Board continues to feel is a great golf value...with a minimum of 3 rounds of golf and two major social gatherings to share with fellow players. Instructions about Registration will be on the website [tswga.net](http://tswga.net) however please also point out to newer players who will be registering that the registration is not complete until they send the entry fee to Advanced Registration Chairman, Heidi Harrison. Her address will be part of the website information. The entry fee should be sent immediately. The field for the tournament will be set April 1 st with verified players and a stand by list to be uploaded to the website. Players should go to the website to view the players and stand by lists.

Please start promoting this tournament with your aged 50 and over players...we are really hoping that this fun and competitive tournament will see many new, younger entries to ensure our continued success...so please tell your 50 something players how much fun we have at this unique event.

As always, I am available to answer questions or concerns so feel free to contact, call or text at [mtway@att.net](mailto:mtway@att.net) or 956-878-5262.

Many Thanks to my friends in Golf,

Sincerely,

Molly Tway, TSWGA President
