Rabies, DHLPP(Distemper, Hepatitis, Leptospirosis, Parainfluenza, Parvovirus), and Bordetella are required to be up to date at least 2 weeks prior to boarding. If a scheduled dose of preventative is due during their visit, please bring it along, and we will administer at no additional charge. Upon check-in, all pets are examined for fleas. Should fleas be detected, an appropriate fee for flea treatment will be applied based on the dog's weight. Dogs should also be free of worms. This measure ensures the well-being of all dogs.
