CASA BELFI FRIZZANTE	45
FIORINI LAMBRUSCO	33

— COVID-19 —

Stay home if sick:

Stay home if you are sick unless you are leaving for essential medical care (including testing) or other essential errands.

Physical distancing:

Stay at least 6 feet away from other people.

Wear a face covering:

Protect those around you. You can be contagious without symptoms and spread the disease when you cough, sneeze or talk. A face covering may help reduce the spread of COVID-19.

Practice healthy hand hygiene:

Wash your hands often with soap and water or use hand sanitizer if soap and water are not available; clean frequently touched surfaces regularly; avoid touching your face with unwashed hands; and cover your cough or sneeze with your sleeve, not your hands.

Vaccinated people may congregate inside the bar without masks or social distancing. We ask that if you are not vaccinated, you sit on our patio and wear your mask when not seated. Thank you!
