SUICIDE FACTS

September is **National Suicide Prevention Month**. Suicide is a serious issue that affects many individuals and communities, and it's crucial to raise awareness and promote prevention efforts. Suicide currently ranks as the **second leading cause of death for ages 15-24** and is the leading cause of preventable death in our nation.

FOUNDATION INFO

This event benefits the **Jordyn Clark Foundation**, a nonprofit organization dedicated to ending suicide by removing the stigmas associated with mental health and well-being. Stigma often prevents individuals from seeking help when they're struggling, which can lead to feelings of isolation and hopelessness. By promoting a culture of openness and understanding about mental health, we can encourage more individuals to seek the help they need. **Together, we can make a difference.**

LEGACY OF LIGHT

Legacy of Light is a remembrance program created to honor loved ones lost to suicide through meaningful tributes and community connection. As part of the Race to End Suicide, families and friends can display memorial photos along the race route, creating a shared space of reflection, compassion, and hope. The program aims to grow beyond the

race by offering ongoing opportunities for remembrance, storytelling, and support—ensuring every life is honored and never forgotten.
