

# London Fano

**A voice for the voiceless Amhara community in Ethiopia**

*A registered UK Company dedicated raising global awareness about human rights challenges and the humanitarian crisis in the Amhara Region of Ethiopia*

## The Amhara Region:

Since April 2023, the Abiy Ahmed-led Oromo Prosperity Party (OPP) regime has **waged a brutal military assault on the Amhara Region**, disproportionately targeting ethnic Amhara and involving widespread human rights violations:

- Over **5,945 Civilian Casualties** (4,620 deaths, 1,325 injuries) between Aug 2023-Feb 2025.
- **Aerial Bombings**: Over **174 deadly drone/airstrikes** (Aug 2023-Mar 2025) resulting in **1,152 casualties** (880 deaths, 272 injuries).
- **Sexual Violence**: 363+ women/girls raped.
- **Abductions**: 944+ civilians abducted.
- **Mass Detentions**: **Thousands of ethnic Amhara** civilians, journalists, and activists arbitrarily detained.
- **Ethnic Profiling**: Perceived **systematic targeting of ethnic Amhara** and **Fano supporters**.

## Humanitarian Deterioration:

- Millions internally displaced
- Over **20 million people** are severely food insecure; the UN warns of starvation; **1.5 million children** need urgent school feeding.
- **Healthcare Access** severely disrupted; facilities ransacked; nationwide health worker strike (**121+ medical professionals arrested**).
- **Education Emergency**: Over **8 million children** out of school (**4.1+ million in Amhara**); **5,231+ schools** shut down; **1,300+ occupied by armed groups**.
- **Aid Restriction**: Delivery of life-saving aid severely hindered.

**Ethiopia** faces one of the world's most dire humanitarian emergencies. Over **28.6 million people** are in need of assistance in 2025, due to conflict, drought, and instability.

**Our Urgent Demands:** London Fano urges the UK Government and the international community to intensify efforts to end the military assault on the Amhara people. **We call for:**

1. Intensified Diplomatic Pressure
2. Unrestricted Humanitarian Access
3. Accountability for Violations
4. Support for Genuine Peace Efforts
5. Review of Aid & Engagement
