Testimonials 贈言

I would give my strongest recommendation to Mr. Badal as a writing instructor and US University entrance exam coach. Kyon Dong Lee, Consul General Republic of Korea

Children like him. He always does calm, careful lessons. I am thinking he is most suitable as a teacher. Kanae Ogawa, mother of Toma and Kana

Bob always provides various styles of lessons tailored to our needs. He always listens with great interest, even to some highly specific and technical subjects, and we can receive his insightful comments or ideas. We are totally satisfied with his enjoyable, easy-to-understand, and high-quality lessons. Engineers, Toyota Central R & D Laboratory

I have had many private English teachers, but Robert is the best. He is the only one to coach accent-reduction and pronunciation. My English sounds 100% better in my business presentations and conversations thanks to his excellent teaching. Wang Jing, District Manager, Deugro Logistics

All in all, the teacher training was motivational and inspiring. Our English teaching staff gained insights into English teaching, especially in the area of reading. Emily Wong, Coordinator, Sam Shui Natives Association Huen King Wing School
