On Azamara's smaller ships you'll sail to the world's greatest destinations including less-traveled ports that are off-limits to big cruise lines and dock in prime spots close to town. It all adds up to a richer travel experience. And it gets even better with Azamara's focus on Destination Immersion[®], meaning longer stays, more overnights and night touring in many places you visit. This allows you the time to explore in more depth, enjoying restaurants, entertainment, and nightlife. We think you'll agree the world is a wonderful place when you see it the Azamara way.
