Every harvest moon, the Witch Collector rides into our valley and leads one of us to the home of the immortal Frost King, to remain forever.

Today is that day—Collecting Day.

But he will not come for me. I, Raina Bloodgood, have lived in this village for twenty-four years, and for all that time he has passed me by.

His mistake.

Raina Bloodgood has one desire: kill the Frost King and the Witch Collector who stole her sister. On Collecting Day, she means to exact murderous revenge, but a more sinister threat sets fire to her world. Rising from the ashes is the Collector, Alexis Thibault, the man she vowed to slay and the only person who can help save her sister.

Thrust into an age-old story of ice, fire, and ancient gods, Raina must abandon vengeance and aid the Witch Collector or let their empire—and her sister—fall into enemy hands. But the lines between good and evil blur, and Raina has more to lose than she imagined. What is she to do when the Witch Collector is no longer the villain who stole her sister, but the hero who's stealing her heart?

The Witch Collector is book one in a thrilling romantic fantasy series, perfect for fans of Naomi Novik, Sarah J. Maas, and Jennifer L. Armentrout.

PULL QUOTES FROM THE WITCH COLLECTOR

“Perhaps our darkneses can be friends.”

“Something must always be lost if you’re ever to gain. Don’t fear this. You will never move forward if you never leave things behind.”

“You little rebel.”

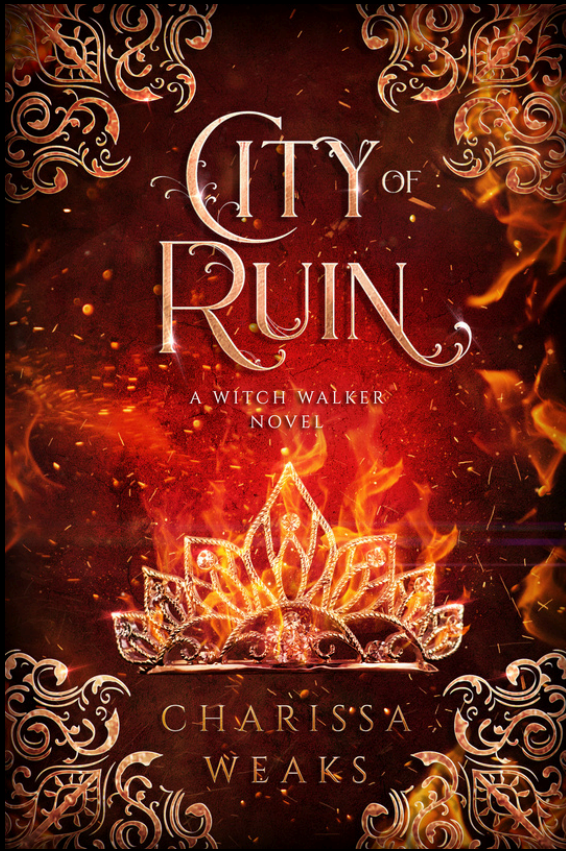

“There is no victory without sacrifice.”

“In another life, I would’ve tried to know her. I would’ve admired her and read her poems written by my own hand. I would’ve walked with her through fields of stardrops, danced with her in the stream. This is not another life.”

“There is no love without fear, but no one told me that fear feasts on those with something to lose.”

BOOK TWO: CITY OF RUIN

PUBLICATION DATE: 9.27.22

The night the Prince of the East razed her village, Raina Bloodgood's life changed forever. Forced into someone else's war—and into the arms of the Witch Collector, Alexis Thibault—Raina discovered that everything she believed was wrong, and that she was capable of far more than anyone imagined.

Now, the Prince of the East has taken the Frost King as a pawn in his war against the Summerlands, causing Alexis's life to hang in the balance. To thwart the prince's endgame and prevent the Tiressian empire from returning to an age of gods, Raina, Alexis, and a band of Northlanders race against the sands of time to reach a mystical desert land where merciless assassins lurk around every corner.

In the midst of tragedy, Raina and Alexis fight to stay together and alive, all while a nefarious presence follows them straight to the jeweled gates of the Summerland queen's citadel—the City of Ruin. With much to fear, it's the terror of a past she shouldn't remember that Raina cannot cast from her dreams.

A past that's determined to find her. One way or another.

City of Ruin is book two in a thrilling romantic fantasy series, perfect for fans of Naomi Novik, Sarah J. Maas, and Jennifer L. Armentrout.

PULL QUOTES FROM CITY OF RUIN

“I have been called Beauty. I have been called Love.
But I am Fury, and some fool is going to bring me back
to life.”

“You like the stars? I can give you stars.”

“If I ever see you touch her like that again, I’ll carry your
head around on a motherfucking pike.”

He will remain constant long after I am no more than a
fading star in the sky.

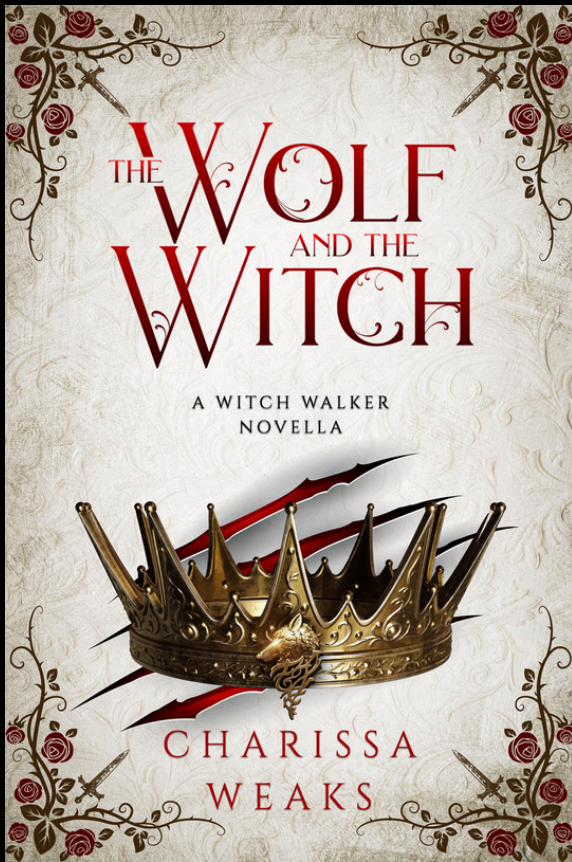

“I think I’ve loved you for my entire life,” I whisper. “And
when we’re both gone, I will love you still.”

“El om ze pera, lohanran tu gra.”

“You are my only temple.”

Narrators: Tim Campbell & Meg Sylvan

US Publisher: City Owl Press

As Nephele, Alexis, and their faithful companions grapple with the devastating loss on Mount Ulra, the threat of Thamaos's reign rises in the East. To prepare, the crew must strengthen the Northland and Summerland armies, even if it means depending on the one being they never thought would live again: Neri, God of the White Wolf.

Nephele made a deal she can't escape, a deal that not only ensures the Wolf's resurrection, but one that forces her to remain at his side, even when he returns North to bolster defenses and destroy any traitors and enemies remaining on his land. The last thing Nephele wants is to spend her days and nights alone with a seductive, arrogant god, but Tiressia's future depends on Neri being their primary weapon, one only she holds the power to wield.

As Thamaos aims his first wave of destruction at Neri, Nephele finds that not only is the Wolf more difficult to control than she believed, but that he's far more human than she gave him credit for. With every passing hour, the undeniable passion between them burns brighter, until their fire becomes impossible to resist, and impossible for Thamaos to ignore.

Because the only thing he loathes more than the Wolf roaming Tiressia again, is that there's a witch at his side, and her name is Bloodgood.

The Wolf and the Witch is book three in the bestselling Witch Walker series, perfect for fans of Scarlett St. Clair, Sarah J. Maas, and Jennifer L. Armentrout.

PULL QUOTES FROM THE WOLF & THE WITCH

“I rather like your bark, witch. Though I’m more interested in seeing if you have any bite.”

“I want to be the woman who wields a god against Thamaos.
I want to be the woman who wields *you*.”

“I’m my own fucking hero. Don’t forget it.”

“Kiss me. Like you mean it.”

“I’d rather let them kill me.”

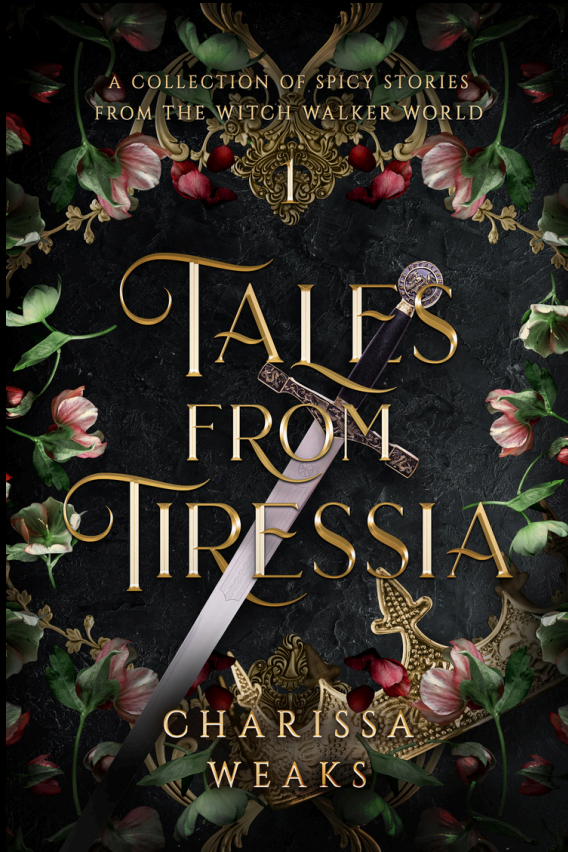

I am but a witch in a forest with beasts.

I am the prey, captured by a little bird who grew teeth. And I want her to have me. To take me. To drink me down until there is nothing left.

“I don't want your fear, Nephele. I want your surrender.”

TALES FROM TIRESSIA: A COLLECTION OF SPICY STORIES FROM THE WITCH WALKER WORLD

Self Published: Ink House Books

Return to the Witch Walker world of Tiressia by visiting this collection of spicy tales, containing six bonus scenes and two novellas.

What might've happened if Raina and Alexis hadn't been interrupted in Frostwater Wood? What romantic moments did Helena and Rhonin share while alone at the Jade River? What in the devils occurred in Fia's palace between Alexis and Raina to rattle an entire city in City of Ruin?

And what's the story between the Frost King and the Prince of the East?

Join me as I pull back the curtain on these beloved characters' lives and their complicated histories. We'll reimagine readers' favorite scenes and delve into new territory with stories you would've never imagined. Can you find the clues I've hidden within? The breadcrumbs I've left behind?

If you're game, sit back and let me weave some new tales.

PULL QUOTES FROM TALES FROM TIRESSIA

I would swear I've felt this mouth before tonight. That I've already claimed it as my own. It's too easy, my lips and tongue too sure. There's no clumsiness. No needing to learn her mouth. I already know it. I know the softness of her tongue against mine. The plumpness of her lips between my teeth. I know her taste and the way she arches against me when I kiss her deeper. It's like she's been mine all my life. Forever and an age.

"I would walk into the Shadow World for you," he says. "I would fight armies and gods all alone and set fire to their world for you. Don't you ever forget that."

"You are where I belong, Raina Bloodgood. Every bit of me. My body. My heart. My soul. I'm yours. Forever. Until the mountains crumble into the sea."

The universe conspires.

TALES FROM TIRESSIA

“Sometimes we want things that simply aren’t good for us,
and we have to love ourselves enough to walk away.”

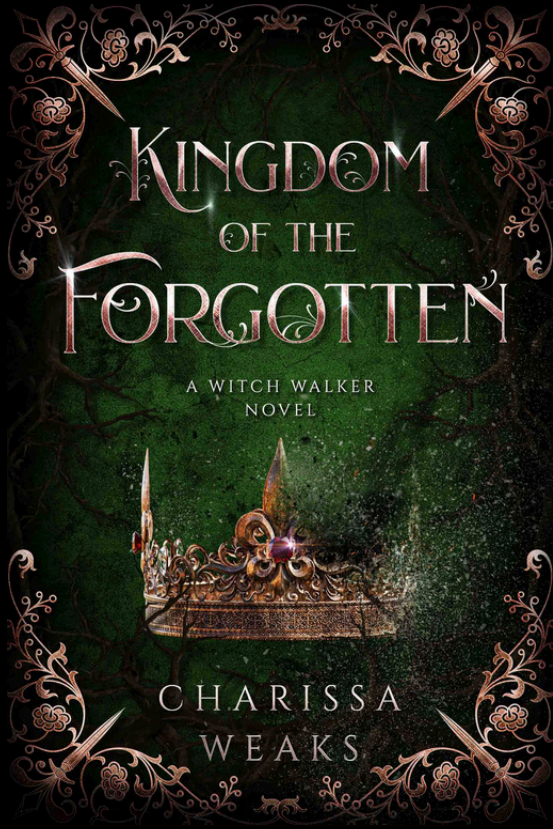

“Sometimes we want things that simply aren’t good for us,
and we have to love ourselves enough to walk away.”

“Careful, love. That’s a dangerous look you’ve got in your
eyes.”

I want the ache of having been with him. I want him
imprinted on my bones.

BOOK FOUR: KINGDOM OF THE FORGOTTEN

AWAITING PUBLICATION

Murderous gods, forbidden romance, unlikely allies—and a woman torn between a past she doesn't belong to and a future she can no longer see. Kingdom of the Forgotten is the fourth installment in Charissa Weeks' Witch Walker series, a romantic epic fantasy tale that will leave you breathless.

Raina Bloodgood never imagined existing during an era reigned by gods, much less falling back in time to a divided, warring continent. But after a cataclysmic meeting near the City of Ruin, that's exactly where she lands, in an age known only from history and legend, imprisoned by a deadly sorcerer.

Alexi of Ghent. Un Drallag. The Gatherer.

Though Raina makes every attempt to escape her nightmare as Un Drallag's prisoner, the power that delivered her to this foreign land—along with her magick—now denies her.

Trapped but far from invisible, her mysterious presence draws the attention of not only Alexi, but his malevolent king and god as well.

Soon, Raina finds herself guided by an unimaginable mentor as she navigates her lineage, her passion for a villain, and unstoppable events that leave her with a heart-wrenching choice: divulge the truth of her circumstance to the man she's fallen in love with all over again or abandon him to a torturous fate.

And three centuries searching for a life forgotten.
