RiversEdge International Fellowship is an apostolic network of leaders in ministry and in the marketplace who are dedicated to affirming the gifts God has given its members. We validate the gifts and callings before men, and we practice accountability without manipulation. REIF provides a relational, apostolic family for those called to and are serving in the capacity of one of the five-fold ministries, as outlined in Ephesians 4.11, whether in the local church or in marketplace ministry or in a national / international ministry. The Apostolic Board of Elders and the officers of RiversEdge International Fellowship are so thankful for your friendship and ongoing partnership.

Your prayers and support allow us to reach more ministries, build up more pastors and ministries, and support more churches and communities with the Gospel of Jesus Christ and a foundation in biblical doctrine. Your financial gifts [credentials and mission contributions] to REIF go to support the outreaches of REIF Global, Global Prayer International, national and regional conferences to encourage ministers, to grow churches, and to encourage the Church to do the work of the ministry.
