Long Talks from the Great Council of Indiana

Richmond, Indiana—November 7-8, 2025

Gary W. Marmouze, Great Sachem

To: All Great Chiefs, Past Great Chiefs, Representatives and members of the Great Council of Indiana.

Greetings fellow Red Men:

It's hard to believe eight months have gone by already and being your Great Sachem of Indiana is rapidly coming to an end. Let me begin by saying what an honor and privilege it has been to serve as your Great Sachem in 2025. This year, I was able to attend 2 dinners at Richmond Red Lobster for two evenings of fellowship. The state audit meeting in March and was able to become a member of Richmond Miami Tribe #633 in May. I also was able to attend their July meeting for Installing of Officers.

This year I had many questions along the way and those who answered them really helped, them being Done Lohrey, George Ferriell, Malcolm Greene and Gary McElwaine. Without their help I would not have got through it.

Once again Thank you to everyone who supported me and I will continue to serve this Great Organization in future years.

Yours in Freedom, Friendship, and Charity:

To: All Past Great Chiefs, Past Sachems, Representatives and Members of The Great Council of Indiana

Greeting Fellow Redmen

The year has almost passed since I became your Great Senior Sagamore and I truly have appreciated having been given that honor.

I really could not visit other Tribes throughout Indiana and plan to rectify that over the next 12 months. My tribe, Miami Tribe 633 has been active in supporting the veterans by speaking to many people at the 4" Street Fair which is held in Richmond Indiana each year.

We have also made and attempt to let everyone who will listen to tell them and give out information on what the Red Men so they would know what we stand for in their community. We hope that this will lead to new members in the future.

I really believe that the reason for our small growth and even lack of growth is because hardly anyone has ever heard about the Red Men and that needs to change but that can only happen if we make the effort of talking to a lot more people.

In closing I would like to thank everyone in this great organization for their support in keeping their tribe as strong as possible and I can only hope that we all will keep talking to as many people as possible about joining the Red Men in the near future.

Yours in Freedom, Friendship, and Charity

Warren C. Cunningham

Hello my friends of this Great Council. I, Joe Seim, want to thank you for allowing me to serve as the Great Junior Sagamore over the past year. It is an honor to hold this position. I am a member of Tribe #220 of Brookville, Indiana and have been in this tribe for 34 years. I want to thank Brother Don Lohrey for encouraging me to be part of the Great Council of Indiana. It is a great experience. As I continue to move through the stumps, I will do my best to represent the Great Council. Thanks Again

Great Junior Sagamore for the Great Council of Indiana

Larry Helmsing, Great Prophet

To: All Great Chiefs, All Past Great Chiefs, Past Sachems, Members, and Friends:

Greetings Brothers:

For the current year of 2025 I have had the honor and privilege to serve as your Great Prophet for the Great Council of Indiana. As I complete the chairs for the Great Council of Indiana, I would like to thank all my fellow Redmen who helped me as I traveled thru this journey. I would especially like to thank my Dear Friend, Past Great Incohonoe Malcolm Greene for all of his help and guidance. Also, my fellow Redman George Ferriell as I lead the Great Council of Indiana last year as your Great Sachem.

As your Great Prophet, I pray that the Great Spirit will bless all the remaining tribes of Indiana with new members, so we may grow and prosper in the coming years.

The Richmond Miami Tribe #633 will continue to have a booth at our annual 4" Street Fair to promote and inform visitors about The Improved Order of Red Men. Thank you to all the Redmen of the Miami Tribe who help set up and maintain our booth year after year for this event. Without there help and dedication, our presence there would not be possible.

In closing, I would again like to remind all members to continue to support our excellent Redman newsletter *Following the Hunt*. Our fellow Redman, Sumner Hunnewell is doing an awesome job in

preparing this newsletter. So, remember to inform him of all Redman events that would be of interest to us all. Pictures of activities and events are especially welcome

It has indeed been my honor to serve as your Great Prophet this past year and I will continue to serve the order in any capacity that I am called upon to do.

Yours In Freedom, Friendship, & Charity

Larry Helmsing

A Look Back: Kokomo Tribe No. 90 Kokomo, Indiana

This Kokomo Tribe was formed in the late 1800's and survived until the 1930s. It had a very nice hall at 503 N. Washington St., once the brick home of Walter Hooper.

Hooper started as a blacksmith and then a buggy maker. In 1883, he manufactured "a full line of buggies, carriages and spring wagons, and his work [was] all first-class." In 1874, he built his home (what became the Red Men hall) for \$7,000. The property passed through many hands.

In 1989, Jeff Hatton of *The Kokomo Tribune* wrote about the house and its association with the Kokomo Tribe.

In April 1920, Spraker sold the property for \$8,000 to the trustees of the Kokomo Tribe No. 90 of the Improved Order of Red Men. The trustees in turn sold it to the newly formed Red Men's Building Association for \$1 in 1922. This was the lodge's property-holding arm — set up to build and maintain a structure for lodge business, social entertainment, etc. Some of the "tribes" of this lodge who were also allowed to use Red Men's facilities were the Haymakers Association No. 90½, Wistah Council No. 90 of Kokomo, and the Degree of Pocahontas.

By 1932 the lodge was in financial difficulty. At a meeting on Jan. 29, they found there were insufficient funds to pay the taxes and interest on stock shares in the organization, and most of the lodge money was unrecoverable — in the hands of the former treasurer. They concluded that great financial loss would be the result if they sold the property at the height of the Depression, but some action should be taken to preserve the building and protect the creditors. So they assigned the property to Richard E. Jackman to hold as a trustee.

During the 1930s, the Hooper house became the home of the Veterans of Foreign Wars, rent-free, and because of their occupancy the property was taken off the tax rolls. The VFW agreed to put in new floors and make any repairs, and they were given an option to purchase the house if the Red Men didn't reorganize as they had talked about doing.

In November 1942, with the building deteriorating, one of the trustees petitioned the court to have the property sold. On Feb. 24, 1943, D.L. Crume auctioned the property for \$3,070 to Sam W. Neall, and the VFW was evicted. Neall then leased the property to the National Housing Agency of the U.S. government, granting the agency's representatives the right to build, rebuild, remodel, or alter the house as they saw fit. This lease was to run for seven years, with the agency paying all taxes and assessments. The agency had use of the property to sub-rent to anyone they pleased.

The building written about in 1989 is now gone, some of it replaced by a parking lot.

A Look Back: Shasta Tribe No. 283, New Harmony

Great Incohonee Tim Avery passed along this In Memorium remembrance from the Shasta Tribe No. 283. It was for brother Henry Chevalier in memory of his death in 1925.

This was found in a thrift store in October and donated to the Great Council of the United States.

Henry Chevalier An Old Resident, Died Early Today

Henry Chevalier, a well known resident of Brazil and vicinity for many years, died at the home of his sister, Mrs. Valarie Fourneau, 350 east National avenue, at 7:00 o'clock this morning after an illness of several months of Bright's disease and complications, at the age of 65 years and 17 days.

The deceased was born in France and came to this country at an early age, locating in Brazil. For many years he was engaged in the grocery

business in this city with his brother but for some years past had been engaged in farming in Jackson township on the east Pinckley street road. He lived alone on the farm until last spring when on account of his failing health he came to this city and had since made his home with his sister.

He was a member of the Annunciation Catholic church and was a highly respected citizen who leaves many friends to regret his demise. He is survived by the sister, Mrs. Fourneau, and a brother, Frank Chevalier, of this city, and also a niece, Mrs. John Rodenbarger.

Funeral arrangements will be announced later.
