Dear Haiti Outreach Mission,

Merci, merci, merci beaucoup! for your continuing support and prayers during the world's COVID-19 pandemic. Please continue to wear your mask, social distance and wash your hands! I am seeing my young patients again and many are suffering from depression and anxiety. Give your children and grandchildren an extra hug and kiss from me.

As lenten fundraisers for HOM were being organized at Our lady of Victory and St. Blasé, everything was shut down as the pandemic hit. The Knights of Columbus at St. Blasé have somehow raised some funds for us. Corpus Christ's Detroit River cruise was postponed to 2021. The same for St. David's Comedy Club event. St. Clare of Assisi was able to give us a substantial contribution from their wine fundraiser of last year. They have just finished a needed wine fundraiser for those in the U.S. that need help for food and rent payments. We are currently working on a virtual fundraiser for early next year in which all our supporting churches may participate. Please see page 5. Our individual donors still continue to contribute, if they are able. Thank You! Please see page 9. And a special thanks to the Rotary Club of Belleville, MI. Please see page 6.

Jan Ernst from St. David's has joined the HOM Executive Committee, replacing Joan McFeaters who has retired. Thanks for your service, Joan! And welcome Jan! The Executive Committee meets once a month to conduct the business of Haiti Outreach Mission.

Sadly, I and HOM lost two friends early this year, Frantz Morisseau and Pat Byrne, who both went home to the Lord. Please see page 2.

### Haiti Outreach Mission Member Churches

- Corpus Christi      Detroit, Michigan
- Our Lady of Victory      Northville, Michigan
- St. Bernard's      Billings, Montana
- St. Blasé      Sterling Heights, Michigan
- St. Clare of Assisi      Ann Arbor, Michigan
- St. David's      Southfield, Michigan

Since 1998, Haiti Outreach Mission has had many individual donors. But our member churches support through their annual donation of "seed money" and additional fundraising events makes our work in Haiti possible.

# Patrick Byrne

March 1944 - Feb. 2020

Throughout Pat's life, he was active at his churches, including Our Lady Queen of All Saints Catholic Church in Fraser and St. Blasé Catholic Church in Sterling Heights. In retirement, Patrick devoted much of his time to charity work and volunteering, included multiple trips to Haiti as part of the construction team for Haiti Outreach Mission. He helped build a school addition (St. Pierre Episcopal High School) and an orphanage (for St. Louis Catholic Church, now the Msgr. Remy Augustin High School).

# IN MEMORIAM

# Frantz Morisseau

Jan. 7, 1948 - Feb. 5, 2020

After moving from Haiti to Detroit, Frantz became a child of St. Timothy's Episcopal church where his father was the rector. He remained a leader and

active participant at St. Tim's and subsequently at All Saints Episcopal Church. One of Frantz's most important acts of service in his life was Haiti Outreach Mission. Started by longtime friends of his family, Dominique Monde-Matthews and Roger Matthews, Frantz took many trips back to Mirebalais, Haiti, in order to serve the most vulnerable and poor in the country with health clinics and medical care. Frantz would serve as an aide and a translator.

# FUND RAISING DURING THE TIME OF COVID-19

Haiti Outreach Mission received this letter in June. Since our founding in 1998 we have never gotten one letter from both of the priests we support, Catholic and Episcopalian. We took it very seriously. The combination of political unrest, COVID-19, and lack of rain over the past few years caused a crisis in Haiti. At the same time, the U.S. was severely affected by the virus and Haiti Outreach Mission's fundraisers were cancelled. What to do? Given our ongoing obligations in Haiti- to alleviate the suffering Fr. Alphonse and Fr. Romel described in their letter would mean that Haiti Outreach Mission would be "out of business" within a year. But we needed to do something. After much soul searching and discussion it was decided that sending \$12,000 was possible at this time. Far less than was requested. The funds we sent were put to immediate use. Please see the photos sent to us by Fr. Romel and Fr. Alphonse on page 4.

Dear Brothers and Sisters

Dear Members of HOM

We, Father Jean Alphonse Jean Philippe and Father Romel Eustache, want to present to you, on behalf of the two parishes which you are unwavering partners, our deep and sincere gratitude for the spiritual, human and economic support that you have given to our two parishes for several years. For years, you have always been with us. We recognize it and give thanks to God for so much grace. Thank you for your great heart and for your willingness to help those who, in Haiti, are deprived of the minimum need and sometimes even of their human dignity and reasonable beings created in the image and likeness of God.

In recent times, the country has really been going through difficult times. Since 2018, the unstable political situation has prevented families from working properly to earn the minimum. This leads to a large-scale impoverishment of families in the country and particularly families of Mirebalais. As you already know, Mirebalais is a cosmopolitan city made up of a large number of poor people from neighboring villages. The situation is extremely serious in Mirebalais. Coronavirus worsens this situation. The people of the city no longer know what to do. They are obliged to stay home without any food to eat and any saved money.

Even before the arrival of the corona virus in the country, the situation was already complicated; agriculture being the only hope of most of the members of the community does not bring them anything this year, because it did not rain in time and the lands are not irrigated so the crops are all lost. Those who have no relatives abroad to support them, starve to death. They throw us SOS as pastors and we don't have the means to help them.

Aware of this situation, we, Father Jean Alphonse and Father Romel, organized an emergency meeting to see how we can deal with this situation. Finally, the idea came to us to address you. Here is our reasoning:

Since for two years you were unable to make the trips to Haiti ...

Since the situation has become unbearable by the population of Mirebalais who is dying of hunger and who is experiencing difficulties of all kinds ...

We pray you to meet urgently to give us the necessary means to support these people (our faithful and other needy people). A subvention of US \$ 50,000 could make a difference:

- a) Support for materials to some families: \$10,000
- b) Distribution of food to certain families (July and August 2020): \$15,000
- c) Rent payment for some families evicted from homes or in the process of eviction: \$15,000
- d) Spiritual upkeep of the faithful and upkeep of our churches: \$10,000

Thank you for your understanding and thank you for understanding our cry of alarm in favor of the community for which we are responsible with the State and other citizens of good will.

Have a good week !

Cordially,

# ST. LOUIS

Lack of rain/Unstable political situation/Loss due to COVID-19 caused a dire need for help in Mirebalais. HOM was able to give some support, \$12,000 USD, split between Fr. Alphonse and Fr. Romel.

DONATION FOR FOOD AND RENT ASSISTANCES REPORT

Dear HOM

I want to thank you on behalf of all the beneficiaries for the donation you sent so both Fr Alphonse and myself can help some people who are starving and some others who need rent assistance.

As I told you, August 25th on the yard of the church we distributed food and drinks to about 900 people.

In total I spent US 2990 for food: meals for 900 people August 25th and kits distribution to the 100 families from the parish.

**HAITI OUTREACH MISSION VIRTUAL FUNDRAISER**

October. This is the month St. David’s Haiti Outreach Committee is frantically planning the last-minute details for our annual Help for Haiti Fundraiser at our local Comedy Castle. The evening of Silent Auction, Dinner and Comedy has been a popular event and the profits have allowed St. David’s Episcopal Church the ability to assist in the support of our clinic and other humanitarian efforts in Mirebalais. Sadly, the Covid-19 pandemic has derailed the event for this year. We have all felt the effects of economic strains, worry about our health and that of our loved ones, social isolation, and anxiety. Meanwhile our brothers and sisters in Haiti are facing the pandemic as well as civil unrest and severe economic insecurity. Mirebalais needs our help more than ever!

St. David’s has decided to try our hand at hosting a virtual fundraiser on either January 29 or February 19<sup>th</sup>, 2021. We will choose a virtual platform to host our event which will include: entertainment (music, comedy) both amateur and professional; videos of our work in Mirebalais with narration, interviews with Dr. Dominique and others and an on-line auction. Our goal is to raise \$15,000 with all the profits going to Haiti Outreach Mission to support our work there. We need your help! We would like to involve all our member churches to participate in this fundraiser. Wider participation will increase the creativity of the event and hopefully excite a larger audience than just our local Comedy Castle attendees!

We would love to have your assistance! There is plenty to do: marketing, technical, obtaining auction items, talent suggestions etc. You do not need to have experience in any of these areas – just a willingness to help.

# ROTARY GRANT FOR WATER PURIFICATION AT COLLEGE MSGR. REMY AUGUSTIN

Krystine Monde, Dominique's sister, was approached by a colleague at work who was aware of her Haiti connection and suggested applying for a Rotary Club grant. So in April 2018 Dominique and Krystine did a HOM presentation for the Belleville Rotary that included a video and a power point of our work in Haiti.

Rachel Kozlowski, the grant coordinator for their club, wrote a successful Rotary grant application. A check for \$5000 was presented to HOM on Oct. 15, 2019. We matched that with another \$5000. A new \$2000 electrical transformer was also necessary. A total of \$12,000 was wired to Fr. Romel on Jan. 8, 2020 and he then wired the funds to (Culligan) Caribbean Bottling Company S.A.

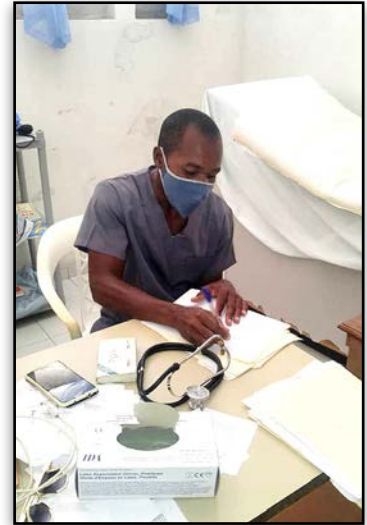

Fr. Romel Blessed the water purification system on July 8, 2020.

Cher Père Alphonse et Père Romel, Merci, merci, merci beaucoup pour les photos que vous avez envoyées au cours de l'année écoulée. Ils remplissent cette newsletter! Ils nous ont aidés à raconter votre histoire et l'histoire de Mirebalais et l'histoire d'Haïti en 2020, l'année de la maladie à coronavirus. Et s'il vous plaît dites aux photographes anonymes qui ont aidé - excellent travail! Dieu te bénisse!

*Many thanks to Fr. Alphonse and Fr. Romel for sending all the photos used in this newsletter.*

## NOTE FROM DR. CADET / ST. PIERRE CLINIC / TO DR. DOMINIQUE HOM FOUNDER

Hello Dr Dominique,

I apologize for not having read your message yet.

How are you, your family, your son and the other members of HOM?

By the grace of GOD my family keeps going. As you have learned from the news on social networks there is a lot of kidnapping going on in the country, but it is especially in the metropolitan area in Port-au-Prince.

The Clinic operates five days a week. God blessed HAITI. He spares us from this pandemic. The Partners in Health hospital in Mirebalais has registered few cases of Covid-19. If there is a suspicious case that comes to the Clinic, I forward it as soon as possible to the Covid service at the hospital.

The children have already returned to classrooms. There are schools that have already completed the school year, but now they are preparing for the new school year 2020-2021.

My child will be back in the classroom starting October 5 for the new school year.

Regarding the medication list I should speak with Dr Lancie [the dentist] and the pediatrician to follow up. Then I also need to discuss with the Reverend [Father Alphonse] how to pick up the drugs you are now planning to send to the Clinic.

I am very saddened to see the cases of Covid-19 and the deaths which are increasing in the USA.

Stand firm. I wish you that you all be very prudent, because I know that God will act anyway one day to mitigate this scourge which gives no respite to the whole world.

We will keep in touch until we find a better way to get the meds in and it is very unfortunate again that you will not be able to come on a mission next year because of the issues that prevent you. We have missed you very much. I had thought that the situation might improve and that you could come at last.

God only knows and it is He who can change bad for good.

May God help you.

GOD bless America !!!!

Dr. CADET

Bonjour/ Bonsoir Dr Dominique,

Je m'excuse de n'avoir pas encore lu ton message .

Comment vas-tu, la famille, ton garçon et les autres membres de HOM?

Par la grace de DIEU ma famille se maintient le coup. Comme tu les as apprises, les nouvelles sur les réseaux sociaux il y a pas mal de kidnapping qui sévit dans le pays, mais c'est surtout dans la zone métropolitaine à P-au-P.

La Clinique fonctionne cinq jours/semaine. Dieu a beni HAITI, il nous épargne de cette pandémie. HUM a enregistré peu de cas de Covid-19, s'il y a un cas suspect qui vient à la Clinique je le transmettrais aussi vite q' possible au service de Covid à HUM. Les enfants ont déjà regagné les salles de classe, il y a des Ecoles qui ont déjà terminé l'année scolaire, mais maintenant elles préparent la nouvelle année scolaire 2020-2021.

Mon enfant reprendra la salle de classe à partir du 5 octobre pour la nouvelle année scolaire.

En ce qui concerne la liste des médicaments je devrais parler avec Dr Lancie et la pédiatre pour faire le suivi. Ensuite je dois aussi discuter avec le Reverend comment récupérer les médicaments que vous planifiez maintenant envoyer pour la Clinique.

En fait je suis très ému de voir les cas de Covid-19 et les décès qui augmentent aux USA. Tenez ferme et beaucoup de prudence que je vous souhaite, parce que je sais que Dieu agira quand même un jour pour atténuer ce fleau qui donne pas d'inquiétude au monde entier.

Nous tiendrons le contact jusqu'à ce que nous trouvions un meilleur moyen de faire rentrer les médicaments et c'est bien malheureux encore une fois que vous ne pourrez pas venir en mission l'année prochaine à cause des inconvenients qui vous empêchent. Vous nous avez beaucoup manqué. J'avais pensé que la situation pourrait s'améliorer et que vous pourrez venir enfin.

Dieu seul sait et c'est Lui qui peut changer le mal en bien.

Que Dieu vous soit en aide.

GOD bless America!!!!

Dr CADET
