WELCOME BACK!

The year, 2017, has taken its full effect and, yet another semester is back in full swing. With the fruition of a new beginning settling in, Delta Tau began its recruitment efforts to bring in the next group of individuals who could potentially help lead the chapter into the future, while simultaneously being molded by the chapter to become better men, husbands, and fathers.

Arriving with these new members is a brand new pledge class by the name of Beta Alpha...That's right Alumni! We have made it around the entire Greek Alphabet TWICE.

As you can see, the chapter continues to grow and continues to make strides across campus, still establishing the standard for the rest of the Greek organizations found at Murray State University.

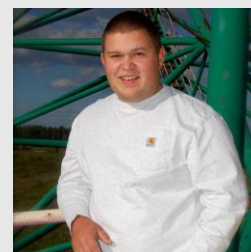

Below are the new members that were recruited this past Spring Rush:

Blake Sandlin

Jordan Smith

Morgan McGuire
