## Alumni Association Board Update

Brothers,

After having the privilege to serve this chapter for nearly three-years as President of the Delta Tau Alumni Association, I am pleased to introduce the next generation of the Alpha Sigma Phi – Delta Tau Alumni Council. In October of 2022, I will be transitioning my role to Kade Gambill, who first joined the Alumni Association Council in 2021. Over the last year, Kade has exceeded our expectations as interim secretary and has consistently gone above and beyond to give back to our chapter. We are very excited to see how he will use this leadership role to continue to grow the Delta Tau Alumni Association.

Kade and his new team will carry on the vision of the outgoing Council, including the 25x25 Campaign, which is helping us raise funds to support current and future members of our great chapter. Our continued goal is for at least 25% of our alumni to invest at least \$10 a month by the end of 2025. The new Council members will also continue to promote and support the Michael E. Young Endowment, which has been a great success so far. I am confident that under Kade's leadership, this Alumni Association will continue to prosper and rise to the next level!

In addition to transitioning the role of President, I am also happy to welcome two new men to the Alumni Association Council. Cameron Hagan will replace Mike Filosa as Treasurer, and Gage Moore will step into the role of Secretary. Thank you for stepping up to serve the Association.

In reflecting on my nearly three-year tenure as President, I am humbled by the selflessness and generosity of those I have been surrounded by. Thank you all for your support over the last few years. Although I step away from this role with great sadness, I know I am leaving it in very capable hands.

To my team – I cannot thank you enough for the time and effort put into your roles. You always understood the significance of giving back to the chapter and taking time out of your lives to make this all possible.

To all Alumni and Undergraduates – You are the reason we continually have the best chapter across the nation. We consistently see our brothers stepping up and making the difference in lives of others. I want to personally thank you for living out our motto every day, To Better the Man.

In Phi,  
Cole Reichert

## Founder's Day Challenge

<https://aspgiving.org/>

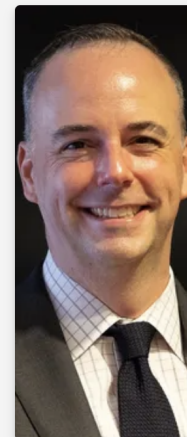

Brothers,

The Alpha Sigma Phi National Founder's Day Challenge has begun! For anyone not familiar with this campaign, it is the main national fundraising push leading up to Founder's Day to raise money for our chapter's endowment.

This year Brother Kip Roberts has generously set up \$5,000 in matching funds to encourage Delta Tau Alumni and Friends to give back to our chapter. Anyone interested in donating can visit <https://aspgiving.org/> and select "Murray State University Match" under matching gift.

If anyone would like to set up matching funds of their own please contact me, and I will get you in communication with the appropriate National Staff.

If you would also like to make a recurring gift, you can also set up that donation at the same web address by selecting "recurring donation" and typing "Murray State University Endowment" in donation notes. This will be counted towards our fundraising goal and will

help us achieve our 25x25 campaign, which is 25% of Delta Tau Alumni giving regularly by 2025. If 25% of Delta Tau Alumni gave \$20 a month (the minimum recurring donation is \$10) the chapter would receive almost \$50,000 of support every year!

Lastly, thank you to Brother Roberts for his generous matching funds, our continuous benevolent donors, and brothers that will donate throughout the next several months.

## Alumni Spotlight - Alex Hahn

**For the undergraduate and alumni members who may or may not be familiar with you, Tell Us a little about yourself.**

My Name is Alex Hahn, I joined Alpha Sigma Phi in the Fall of the 2011 semester with the Alpha Mu Class as a Freshman at Murray State University. Originally from a small town of Metropolis, IL there was never a great emphasis on what specific college was most desirable or beneficial to my education. However, after touring Murray State University and seeing the campus, I knew this was going to be home for the next four years. I also had a little pressure while being a double legacy of

Alpha Sigma Phi with brothers Ryan Hahn (Delta Tau Chapter) and Grant Hahn (Eta Chapter) encouraging me to find a University with an Alpha Sigma Phi Chapter. I never really understood what this meant or the emphasis that was illustrated to me as a young eighteen-year-old, however I learned. Yet, let's rewind to 1999 when I was six years old and got to meet brothers of the Delta Tau Chapter like Chad Veenstra, Jason Goodyke, and Kyle Hensley which mainly tormented me as a young lad; however, I still knew I wanted friendships like that as I grew older. During my time with Alpha Sigma Phi I served as House Chair while also acquiring our new and current house and also as the alumni director. I graduated from Murray State in the Fall of 2015 with a degree in Business Administration and shortly after started working at Hutson Inc. I later transitioned into

Governmental Sales with Hutson Inc. and shortly after married my bride Alli Hahn in 2018. My wife and I have two daughters, Sloane (2) and Sophie Kate (5 Months), it's truly a blessing and we are very thankful.

## **What aspect of your undergraduate experience influenced you most through the years?**

I think for myself, it was the willingness of the brotherhood to never give up on me but drive me to be better. Because of this and my time in the workforce and life I have learned that it's imperative to encourage and teach to watch he or she grow to become better. These are all virtues and teachings that we learned to better the man through Alpha Sigma Phi. There is no better accolade than Mike Young for our Delta Tau chapter, he is the father away from home and influencer of us all. We thank you Mike, and hope you stay around forever.

## **What is your biggest piece of advice for undergraduate brothers?**

My story is different than most and I was a slow learner of what we were teaching and currently teaching in our chapter at Delta Tau. Our fraternal brotherhood is meant for so much more, embrace it. Take a moment and reflect on what you learned or may be learning, these are things you will use every day in your professional life or personal life after graduation. The best advice I can give is take the time to know each of your brothers, everyone has a different story but it's those who take the time to embrace and accept others that become the best friends, leaders, and influences to create a Chapter like no other and steward to society. Remember, a leader can lead even without a title; however, sorry for being a dad and enjoy your time as it goes fast as these will be memories that you will cherish forever, truly.

## President's Desk

From the Delta Tau Chapter President

Brothers,

To look back on this past summer. Brothers stayed involved with participating in community service projects and sharing brotherhood. On the weekend of July 21-24<sup>th</sup>, twelve active brothers from the Delta Tau attended Grand Chapter in New Orleans, LA. At Grand Chapter these brothers participated in development/educational tracks and interacted with brothers across the globe. I would like to recognize the chapter for being awarded its ninth Grand Senior President's Cup. Hayden Jaco was inducted into the Undergraduate Hall of Fame and was awarded the Frank F. Hargear Award. The Mike Young Endowment was also announced at the awards banquet. I would like to thank the alumni that worked together to make that happen.

We are about to hit our stride for the fall semester. School has been in session for nearly a month, and we have been busy. Before classes were in session, we held our To Better the Man Scholarship Interviews. We had a total of 21 applicants and awarded 12 total scholarships. Thank you for the \$1,500 that the Alumni Association provides in support of the TBTM Scholarship. Along with the TBTM Scholarship, we awarded a \$500 active brother scholarship to Ethan Wallace for his efforts over the past two years of being a brother and representing Delta Tau well.

Fall Recruitment began August 19<sup>th</sup> as we hosted events such as Alpha Sigma Phry, Kickball, 3v3 basketball, What Is Night, Softball, and Mystic Supper. We are happy to say that we recruited 13 respectable gentlemen. A special thank you to brother Scott Pile for coming to speak at our What Is Night.

This past weekend September 9-11<sup>th</sup>, Mike Young and Logan Patterson (VP of Membership Enrichment) took the new members down to the Lakeshore Camp in Eva, TN for their pledge retreat. There they watched the classic film, "White Squall", participated in the low ropes course and created a strong bond with one another.

To keep you all updated on future events: Family weekend is September 23-25<sup>th</sup>. Our fall philanthropy event of Greeks Got Talent will be October 20<sup>th</sup>. Homecoming is coming up soon, it is the weekend of October 28-30<sup>th</sup>. I hope to see many alumni there. Kaleb Willie our VP of Alumni should be posting in the Facebook group soon a flier and our scheduled events for the weekend.

Brother Ethan Wallace '19 was awarded the Active Brother Scholarship sponsored by the Delta Tau Alumni Association. This \$500 scholarship is awarded to a brother who has worked hard within the chapter and is positively representing Delta Tau on campus.

The Fall pledge class, Beta Mu, was surprised with their big brothers recently. The pledges have been working hard to compete in Rock-A-Thon, Sigma Cheer, and organizing their pledge class fundraiser.

## Delta Tau's Grand Chapter Experience

*By Mason Page '21, Director of Chapter Public Relations:*

This July I had the pleasure of attending Grand Chapter in New Orleans, Louisiana. I initially was hesitant to attend the event due to some scheduling conflicts, but going to NOLA turned out to be one of the best decisions I've made. In the beginning of the week, we attended educational tracks that showed us ways we can impact our individual chapters. Some of the educational tracks included Emerging Leaders, Membership Retention, and Brotherhood.

The best part of the weekend was the Cardinal & Stone Gala Awards Banquet. At this event, the Delta Tau chapter earned our 9th GSP - the most in the history of Alpha Sigma Phi.

Attending Grand Chapter proved how valuable our reputation is here at Delta Tau. Everyone I talked to had such great things to say about our chapter. We are seen as the standard that other Alpha Sigma Phi brothers should strive to be like. Going to NOLA has motivated me to keep our good reputation. In my remaining 3 years, I will continue to better the man while bettering the Delta Tau chapter.
