Alumni Association Board Update

Brothers,

The previous semester was busy for both the undergraduates and alumni alike. From homecoming to formal, and bourbon tasting we were all very occupied in sharing time with our brothers. This upcoming semester will have just as many, if not more, events for alumni to celebrate our chapter and share brotherhood.

First, the Spring pledge class will be initiated on March 1st, any alumnus is welcome to attend. Make sure to contact Mike or myself to receive further details. Next, a State of the Chapter Zoom meeting will be held on March 6th where alumni are able to learn how the chapter is currently operating and what plans the alumni association has for the near future. Further on, Delta Tau will celebrate its past year of accomplishments at Sig Bust on April 1st. Alumni are highly encouraged to attend, so make sure to RSVP below! Lastly, the alumni association is coordinating a bourbon tour of Log Still Distillery on May 20th. The details are still being worked out, but we hope to make it a full day/weekend of brotherhood. The RSVP and full details will be released via the Facebook group and email in February. We hope to continue to provide many opportunities for alumni to come back to the chapter and share brotherhood through new events.

In Phi,
Kade W. Gambill
Delta Tau Alumni President

Murray State's 100th Anniversary Homecoming

In October we celebrated Murray State's 100th year anniversary. This homecoming was filled with many activities to make for a fun filled weekend. On Friday, we hosted our annual Alumni golf scramble. The golf scramble was held at Miller Memorial Golf Course. That evening there was a Meet & Greet at Oaks Country Club. A very enjoyable experience for actives and alumni to socialize, gain perspective, and provide some advice.

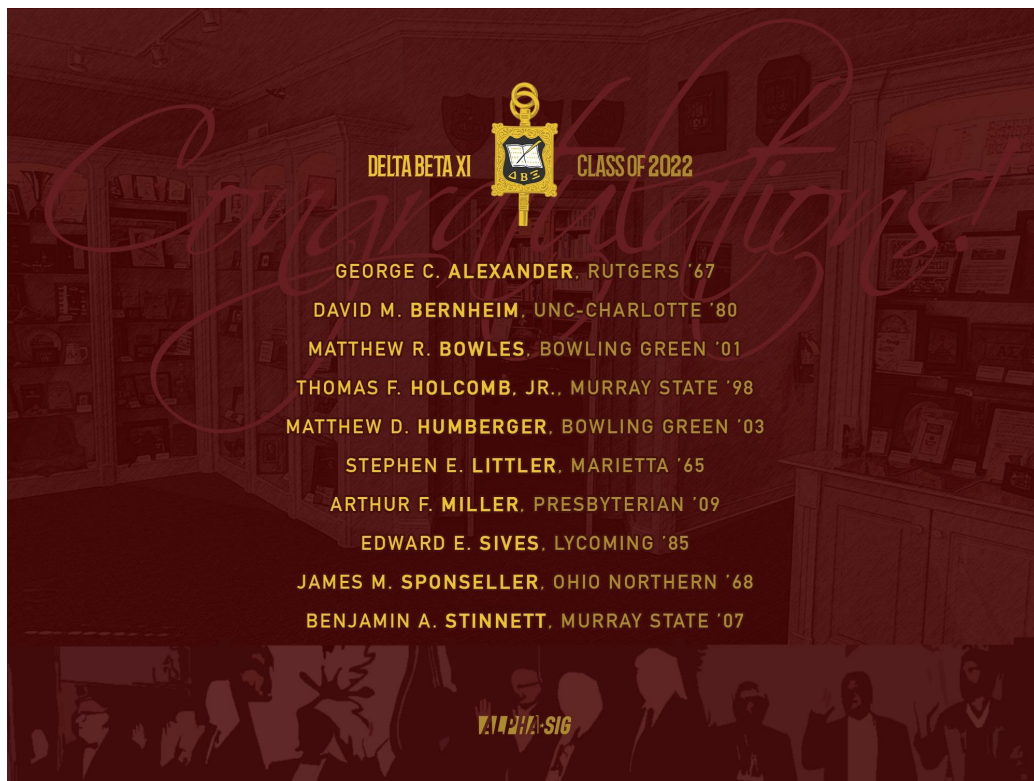

On Saturday, the morning started early with the Homecoming Parade. Then everyone gathered at Tent City to enjoy good company, good food, and some mediocre football.

Log Still Distillery Tour

J.W. "WALLY" DANT

We call him founder, foreman, and fearless leader. You can call him Wally.

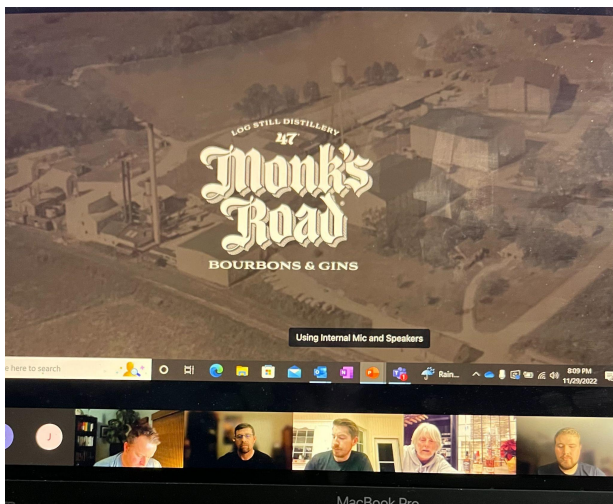

As president/distiller, Wally Dant works hard every day to bring his vision for Log Still Distillery to life. And to Wally, it's about more than quality spirits and an unforgettable destination. It's about love of God, family, community and bourbon.

Wally is rebuilding and reinventing his family's historic distillery property, the very same land in southern Nelson County where his many family members once made spirits. "To be able to put your name as a distiller on a bottle is pretty humbling."

Log Still is Wally's way of honoring his family and giving back to the community he credits for providing his family with values and love. And drawing from years of experience in the health care and liquor industries, this business-savvy entrepreneur is the right man for the job. Wally dreams big, and he won't stop until he sees those dreams come to fruition.

If he's not hard at work shepherding the Log Still brands, you can likely find him making garden-fresh salsa, hot sauce, ketchup from the homegrown garden, or cooking up a chef-like meal for friends and family.

HE TAKES HIS BOURBON ON THE ROCKS OR NEAT WITH ICE ON THE SIDE.

In November a group of brothers participated in a virtual tasting coordinated by Wally Dant, owner of Logstill Distillery and Alpha Sig from Purdue. The attendants enjoyed this event so much that Wally invited us to his facility on May 20th to enjoy a tour and tasting of his products. Keep a lookout on the DT Alumni Facebook group and your email for more details and the RSVP form for this event. The alumni association is also exploring more activities to make a whole day or weekend out of this event for those interested in an extended experience.

Rake N Run

As the semester comes to a close there is one item of business left for the boys to take care of. As the sun rose on November 19th, the brotherhood put on an extra pair of socks and their jacket to rake some leaves. A competition among groups to see who could earn the bragging rights of the *Golden Rake*.

We were able to donate \$500 to the Laker Christmas Project from our efforts. This program has been established within the county to provide Christmas presents for the less fortunate. Very happy that we could be of assistance to them and look forward to donating for the following years!

2022 Greek Elite Competition

The Delta Tau chapter competed in the annual Greek Elite competition hosted by Sigma Sigma Sigma at Murray State. This cheer squad of 16 brothers consisted mostly of new members and a few upperclassmen. We see this event as an opportunity for the newest pledge class to “dip their toes” into the philanthropic competitions. Most importantly, this is a great atmosphere to share brotherhood and come together to accomplish a common goal.

Delta Tau took home 1st place in the fraternity division and won overall Grand Champions! Also, our chapter raised over \$1,300 for the Robbie Page Memorial. A philanthropy that provides play therapy for kids in hospitals. We are very proud of our brothers for the hard work they put into this competition!

Fall Formal

Our Fall Formal was held in Nashville, TN the weekend of October 22nd. The black tie tradition stayed true as sixty brothers and their dates spent the weekend roaming the downtown streets of Nashville. A very memorable weekend as always.

We hosted our fall philanthropy event which is now Greek's Got Talent. It is a talent show where individuals or groups from every Greek organization on campus are invited to come showcase their talents. There were a total of 10 acts in the talent show. We were able to raise over \$3,500 for three of our philanthropic partners - Aware Awake Alive, Active Minds, and RAINN!
