SOARING IN TO A NEW YEAR

Greetings all Delta Tau Alumni! I hope that your summer went as well as you hoped for and that the adventures it brought proved fruitful.

Here, at Murray State University, the Delta Tau chapter is in full swing as we have just started the Fall Semester and have just completed our first round of Recruitment for the 2016-2017 school year.

WELCOME ALPHA PSI!

Alpha Psi is the newest pledge class to Alpha Sigma Phi's Delta Tau Chapter. With Austin Spicer's leadership, the chapter was able to recruit 25 outstanding men that will take the chapter to great and new heights!

WHERE WE GO ONE...WE GO ALL!

The Delta Tau Chapter of Alpha Sigma Phi proudly stands on the steps of Wells Hall to commemorate the newly recruited members of the Alpha Psi Pledge Class.

AN INSIDER'S LOOK INTO FALL RECRUITMENT

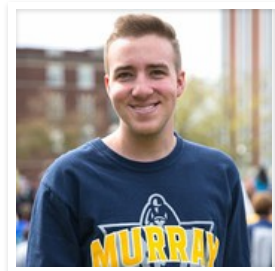

fantastic week of Fraternity Recruitment.

Kick-Off began on Tuesday afternoon, where approximately 220 men rushed into the Curris Center Ballroom to find their new homes at MSU. Wednesday's "What is Alpha Sigma Phi" event saw over 35 potential new members take an interest in our fraternity. Delta Tau then hosted a "Viking Night" at the house on Thursday, which involved sitting at long tables, eating rotisserie chicken, and having some fun with a slip 'n slide afterwards. The Delta Tau Chapter house then hosted "Alpha Sigma Fry Everything" where brothers and PNM's engaged in fellowship and ate some great, fried food! During our Saturday rush event, the chapter traveled to Kentucky Lake, with some PNM's, and enjoyed the weather out on the water. Sunday saw over 30 PNM's who attended our bi-annual "Mystic Supper." Finally, on Monday, Delta Tau welcomed 25 fantastic new members as they rushed down the steps of Lovett.

None of this could have been achieved without the leadership of our current Recruitment Director, Austin Spicer. When asked about the results of our week of recruitment, Brother Spicer stated "I do not think Rush week could have gone better. All of the brothers put in a lot of hard work and because of their efforts, the chapter has gained 25 of the best men on Murray State's campus."

While the entire chapter is excited about our new members and the end of Fraternity Recruitment, we know that this is only the beginning to a brand new year. A year that will bring many challenges and many successes. We've started out strong and will continue to carry that strength through this semester and beyond.
