Most meaningful memory

Some of my fondest memories were fostered around the fraternity house. When the weather was right, I enjoyed having bonfires and playing "beersbee" in the backyard. Spending time with brothers on projects and improving the house became the most rewarding way to give back to the brotherhood as an undergraduate. Looking back on my college years, 911 North 16th Street housed many of my greatest memories!

Word of advice

In closing, I would like to leave some advise to the current undergraduates.

Be the one to volunteer without being asked. If you see that something is out of place, fix it. If you have an opinion, share it. Listen and think when opposing opinions are voiced! Have a positive relationship with every brother (many of them have talents where you are weak). Most importantly, know that you belong to the strongest brotherhood on campus (the rest of them just fight for second place). Live like it!!

BROTHER OF THE MONTH

Jack Walker

Jack Walker is a junior Occupational Safety and Health major from Bethalto, IL. In his three years in the brotherhood he has served as Formal Chair, Alumni Director, and now as Vice President of Member Retention.

Jack has successfully put on events such as 2017 Black and White Formal in Louisville, 2018 Sig Bust, and 2018 Homecoming Weekend.

Homecoming Weekend is easily his favorite memory of his time here at Murray State. Jack commented, “seeing the brothers work all week building our homecoming parade float with the sisters of Sigma Sigma and then to celebrate our works with an awesome weekend welcoming brothers back to MSU was a better experience than I could of ever hoped for.”

This summer Jack will be returning for his second summer safety internship with Rogers Group Inc located in Nashville, TN. He also will be serving as Delta Tau’s delegate this summer at Elevate in Phoenix, AZ.

Congratulations Jack.

WORDS FROM THE ADVISOR

Dear Alumni Brother:

It brings me great pleasure to extend my heartfelt thanks for the legacy of Brotherhood that we shared while you were a student at MSU. Delta Tau is embarking on a journey that 24 years ago was just a dream. Today, we continue to be one of the Most Outstanding chapters within Alpha Sigma Phi as well as on Murray States Campus and it is evident that membership within this brotherhood provided a meaningful experience for over 700 young men to date and we continue to strive to make a difference in the lives of young men and in our communities.

The chapter has been on an exciting journey of growth and progress as this October, we will celebrate our 25th anniversary as a fraternity whose sole purpose was to provide young men with opportunities to be better men. The breadth of Delta Tau's positive impact is demonstrated in many ways-from the 75 active brothers in the chapter to the over 700 alumni who are out "Bettering the World"

Please consider this your personal invitation to join your brothers on October 18-19, 2019, homecoming weekend, as we will celebrate 25 years of Alpha Sigma Phi, Delta Tau. The undergrads are working hard to make that weekend a special one for you as they say Thank You for the legacy of brotherhood that you built which continues to provide them opportunities grow and be better men.

On a personal note, I would love to see as many of you as possible come back and reconnect with the brotherhood that provided so many fun memories for you and a brotherhood that I am certain that many of you continue to be thankful for today.

In Phi,
Mike Young
