Letter from the Alumni Director

2015 – 2016: A Year in Review!

This past school year proved to be a very successful feat for Delta Tau. In the Fall of 2015, we were able to welcome 27 new members into the Mystic Circle in addition to the 9 members that were accepted in Spring 2016. These new brothers have already started to leave their legacy as they pursue leadership positions in the fraternity and on campus.

Other accomplishments are as follows:

- **Awarded 2016 All Greek Outstanding Philanthropic Program**
- **Awarded 2016 All Greek Outstanding Community Service**
- **Raised \$800 for Relay for Life**
- **Awarded 3rd Place in All Campus Sports Competition**
- **Received 1 Free Semester of Golf at Miller Golf Course**

These feats could not have been achieved without the support of our alumni, so from the bottom of my heart, thank you!

In Phi,

Christian Barnes
