THE IRIIDIUM SHEEN SERIES

Classical meets modern. The "Iridium Sheen" is a common term used to describe the iridescent gloss found on the feathers of many ducks. The color that the observer sees changes depending on the angle of the light and the viewing angle, just like our Iridium Sheen tables. These Luxury pool tables are like a work of art in their space, showing elegance and sophistication from every viewing angle. Careful design and top-quality raw materials ensure both a visual and functional excellence.

THE OBSIDIAN GLASS SERIES

The Obsidian Glass Series embodies the spirit of frozen fire—a commanding centerpiece where ancient power meets cutting-edge design. Inspired by the dark, glossy aesthetic of Obsidian, the volcanic glass, these tables carry the inherent strength and dominion of their namesake. Like the mythical Drake Dragon, they demand respect, featuring a stunning, high-contrast look. The sleek, jet-black playing surface is framed by a pristine, crystalline structure, creating a modern dominion that reflects your sophisticated style. More than just a visual masterpiece, the Obsidian Series is engineered for players who play like a pro.
