

Dear Praying Partner,

Four new partnering Churches so far since our last letter. Thank you all so much for your financial and prayer support. It doesn't go un-noticed, or un-appreciated. In our last letter we told you about how Good God is and how he works things out even when we don't see there being a way for it to work out. He has done much of the same over this last month. He has protected us through travels in Indiana, Kentucky, Georgia, New York and Pennsylvania. God has blessed us with some fantastic meetings with some fantastic people. It's hard when you're on the road and meeting new people all the time. We really never know what to expect when we pull up at the church or the prophets chamber for the first time. Time and time again however God meets with us through his people. He has blessed us with more friends that we know will be lifelong.

Easter Sunday!

Easter is a special time for us for a few reasons. The most important of course being the Celebration of our Risen Savior, it is also the time we celebrate our coming to Way of the Cross Baptist Church in McDonough Ga. We have so many memories that have been forever etched into our history. Even though Jamie and I were both already saved when we walked through the doors of that church that Sunday morning, it was there we began to grow. It was there we learned what it meant to be actively involved in ministry. It was there, where God called me to Preach. It was there where God called our family to missions. It was there, that God showed us his love through his people. We were blessed to be at our sending church for Resurrection Sunday. You are loved WOTC Family!!

Pray with us for our Children!

We have the best three children in the world. Yes we are partial but thats ok. Would you pray for Lila, Mollie and James. They are so gracious to us when we ask them to get in the car and endure another 14 hour drive. They never seem to complain, but it's hard on them. They are constantly being introduced to new friends and then being ripped away from them. It sounds so violent when written that way but I see their spirits break and have to cope with another friend that they can only see via video chat. Would you pray for them and for Gods comfort during this time of our ministry.
