

The Bradleys to New York City

Dear Praying Partner,

We are so very grateful for your continued financial and prayer support. **We truly couldn't be here doing the Lords work with out you all and your prayers, Please Keep It Up!** It is simply amazing how fast time seems to go by these days. It seems like just yesterday that we were starting our pre-field ministry of deputation. Time has sure flown by. We have gained so much wisdom from so many of you while traveling on deputation. God has proven Himself time and time again. Our faith has been strained and strengthened and we are so thankful for the calling that God has put on our lives. I have one more meeting that I am going to in December, that is a Church Planting Conference. **We are now at 91% of our needed support. Would you pray with us that the remaining 9% would come before WOTC of Fresh Meadows first Sunday on June the 8th?** We had our last missions conference's in October and November, and we made some amazing, life long friends. This picture is of Lila and her new friend, Julia that she met at First Baptist of Seaford DE. What an incredible church with a love for the Lord. Pastor Seacrest thank

you so much for your love for the Lost and the Hurting! I am so blessed by the family that God has

given me, and their Love for God, and willingness to be servants. Now we transition from Pre-Field to On-Field ministry. We have already hit the ground running with the Dice's at Gospel Light Baptist Church in Jamaica Queens. We are so grateful for the Lords leading us to the Dice family! The Dice's and Rodriguez's are such a blessing to us, and I am so thankful for their friendships. **Would you commit to praying for them as well?** During this transition time we will be working at Gospel Light Baptist Church, while at the same time preparing what we can for Way of the Cross Baptist Church of Fresh Meadows. We look forward to jumping in and teaching a Sunday School class, and helping with the Bus Ministry, as well as anywhere else we can be plugged in while we are there. We are working right now on preparing our Invite Flyers and Tracts. **Pray if you will about the tracts specifically, I want to create a tract that gives my testimony along with the Gospel.** These will be beneficial when we start prayer walking Fresh Meadows in January. I have also created a website where you can sign up for future updates about the WOTC of Fresh Meadows it is wotcfreshmeadows.com. In April we will begin hanging bags on doors in Fresh Meadows. It is my desire that initially we hang 15,000 bags on doors. This will be our first point of contact with many in the area. I want to then within two weeks of hanging a bag, go back and try and make face to face contact with the families of each home. We will also be walking the streets of Fresh Meadows looking to make contact with as many people as we can that are out and about. We still have plenty of open dates between April 21st and June the 6th for you and your Church group to come and help us with this, if you would like to come please let me know so that I don't have multiple groups here all at the same time. I can also point in the direction for the best accommodations while here. **Would you please be in prayer for those that we will make contact with? Please pray that God would open their eyes to the need of a Saviour!**

The Bradleys Happening's

We will be traveling down to Georgia for Christmas later this month, and I look forward to being able to preach at our home church, Way of the Cross Baptist Church in McDonough Ga. I also will have the privilege of preaching at the Rescue Mission in Atlanta while we are there. **Please pray that God will use me.** We look forward to spending some well needed time with family and friends. We wont be able to see everyone but if you would like for us to come by while in Ga, please let me know and we can see how to make it work with our calendar.
