

The Bradleys to New York City

Dear Praying Partner,

"And Jesus, when he came out, saw much people, and was moved with compassion toward them, because they were as sheep not having a shepherd: and he began to teach them many things." (Mark 6:34) Thank you so much for your continued prayer and monetary support. God has been working in so many ways! We have just had the opportunity to be in NYC again for preaching in the park with Gospel Light Baptist Church. What a tremendous blessing this was to me and my family. Folks as you pray I want you to understand just how much our world is hurting. **Are we seeing the hurting people and being moved with compassion or are we seeing the hurting people and just ignoring them?** On multiple occasions I stood with men that were so broken that they would break down in tears and just cry. One man found out that day right before standing in the park and hearing the word of God, that he is now homeless. One man told me of the loss of his best friend just two days earlier to a drug related death, his friend took some drugs that were laced with fentanyl and he is now dead. We must see that people around us are hurting. **Would you please allow God to stir your heart and would you be moved with compassion.**

The Bradley's Happening's

While we were in NYC this time we had such a great time with the Dices and Rodriguez's in Jamaica. We also had a great time of fellowship with church planting missionaries the Canavan's and the Blooms. The Bloom's have planted a church in Flushing, Queens and are reaching the Chinese population there. The Canavan's have planted Living Hope Baptist Church in the Bronx. We had the great privilege of presenting our burden to the great people there, and Pastor Canavan also allowed me to preach to them. We are very thankful the Lord lead them to partner with us to reach Queens with the Gospel of Jesus Christ. **Please pray for the Canavan's and the Bloom's as they minister and labour in NYC.** While in the City our friends Tim, Susan, and Rachael Vermaas stopped just outside of the city and parked their home. We were able to connect with them and spend a full day some sweet servants of Jesus. We did a really fast tour of Manhattan and actually went to all 5 boroughs in one day. Then we had a great time at Grace Bible Baptist Churches Mens Conference where the Lord allowed me to preach on Answering and Fulfilling Gods Will for your life. **Please pray for many of these men to serve Jesus in whatever capacity he has called them to.** Next we left NY and drove to Athens TN to Camp Fairview. This camp is a ministry of Fairview Baptist Church in Athens TN. Pastor Herrell and the folks of Fairview Baptist have a great heart for the youth in America. I'm so thankful for the 9 young ones that were saved this week during camp. Tim, Susan and Rachael Vermaas have a fantastic children's ministry and this is their sending church. So we were able to spend the week with them here at camp also. Would you please pray for them? They have lived in their RV for close to 25 years. They now have a house being built through a miracle from God. **Would you pray that it would be done for them to move into by Christmas?**

New York Thoughts

I was reading an article this morning from Spectrum NY1. It detailed how New Yorkers cope with life through faith. It quickly moved into highlighting a religious group who's, faith and spirituality don't include a belief in a deity or a higher supernatural power. Humanism, which is noted for centering the human experience, with adherents relying on ethics and reason-based thinking. Ethical Culture, a Humanist religion, leaves belief in a deity up to the individual. About 21% of New York City residents regard themselves as unaffiliated with any mainstream religion, according to PRRI figures. **Please pray for these that Satan would lure away from hearing the truth of Jesus Christ.** Also note that the article would lump these Humanist into the category of Christians. **Please pray!!!**
