

## Dear Praying Partner,

Thank you so much for your Prayers for us and for the financial support that is helping us to make it from place to place on deputation and will help us reach the People of NYC. We are praising the Lord for 3 new partnering Churches in the last two weeks. The Lord has allowed us to be in some really sweet Churches as of late. We were in Denton Texas a few weeks back with Amazing Grace Baptist Church. Pastor Fogg is doing a great work there. Its really nice to see a church with such a heart for seeing Souls Saved. We had the great opportunity while in Denton to share the Gospel with Karin. Karin was in Denton because of work, and things weren't going the best for her. She too is from Georgia. The Lord allowed us to be a help in a time of need for Karin. As my family and Karin sat in the van at the bus station, the door was opened for us to share the truth about what God did when he sent Jesus to die for our sins. Karin prayed and asked God to save her right there in our van. She texted Jamie later on into her 36 hour journey on Greyhound from Denton Tx to Canon Ga, and requested that we share with her the best Church to go to at home. Praise the Lord!! Im so glad He is still saving Souls! Pray for Karin as she joins a local New Testament Baptist Church and gets baptized and discipled. We had a great time with Solid Rock Baptist Church in Rusk Tx also. This sweet church family treated me and my family so good. Not that every church we go to doesn't. Pastor Harris and his sweet wife and Brother Justin and his precious wife made us feel so welcome. Our kids even got watermelon and were able to see goats and baby chickens, and puppies. We had such a good time. We are so thankful for the Divine Appointments that God has given us with each of you that are reading this prayer letter.

### *Pray with us for our Children!*

In our last letter we asked you all to pray for our children. Life on the road for them continues to be hard as they meet and make new friends at all the churches we visit. Now they have an all new difficulty to deal with. We have transitioned from Alpha and Omega Lifepac Home School Curriculum to Abeka's Accredited Video Home Schooling. Would you please continue to lift them up in prayer as they try and navigate a new way of doing school on the road.

### *Pray with us for the People of NYC!*

As inflation has hit all time highs everywhere the people of New York City will feel it more than most. The people of NYC pay so much of their living wage in rent that when the cost of everyday items skyrockets they feel it quickly. It's easy in times like this to blame politicians but rather let's blame the lack of Gospel Influence in the city. I'm so thankful for those already there preaching the Gospel, but we need Thousands of Churches there right now! Would you, while paying for the people of NYC, also pray for Laborers that are so desperately needed there.
