

# The Bradleys to New York City

## Dear Praying Partner,

**"That Christ may dwell in your hearts by faith; that ye, being rooted and grounded in love, May be able to comprehend with all saints what is the breadth, and length, and depth, and height; And to know the love of Christ, which passeth knowledge, that ye might be filled with all the fulness of God." (Ephesians 3:17-19)** God is so Good to us.

Thank you so much for your financial and prayer support. You all are so faithful and it doesn't go un-noticed. I want to brag for a few minutes on my God and how He has proven himself over and over as of recently. The Lord has blessed us since our last letter with a fantastic Missions Conference in Atoka TN at First Baptist Church of Atoka. We made some life long friends here at this wonderful church. When we left there we went to Dayton TN to be with a sweet church White Oaks Baptist Church. After

the Lord helped me preach the Church opened up a business meeting and voted to partner with us right there. What an encouragement! We enjoyed a great weekend with some dear friends there in Dayton and then headed back down to Georgia to sell off as much of our stuff that has been in storage and then donate all that was left. After downsizing before putting everything in storage, we now had the task of yet again going through and selling/donating what was absolutely not needed. God gave us four great days for a yard sale and it went really well. Praise the Lord. While we were there doing this, the Lord gave me the opportunity to preach two chapel services at Peoples Baptist Church in McDonough Ga. I prayed and prayed that God would meet with us and do a work. I found out the next evening that God worked on the heart of a high school boy named Michael after the High School Chapel service. He called the youth pastor that night and then met with him early

before school the next morning and trusted the Lord as his Savior. **Would you pray specifically with me for Michael and Nicholas.** The Wednesday before Easter I had the opportunity to preach the Gospel at our sending church before our annual Egg Hunt and fellowship. Its was so encouraging to see so many visitors and new faces. We were blessed to be with our sending church for Resurrection Sunday! The Lord met with us and again had many first time visitors.

## *The Bradleys Happening's*

While in Ga the Lord did a couple of things that were just too amazing for me not to share with you all. I took the big red van to the dealership to have the first service done to it. While I was there I met a man named Gacobi, he too was having his transit serviced. I was able to share with him the Gospel and brag on my God. After a while they brought me my paper work and I went and paid for my service. I went back to the waiting room and waited to get my keys and kept talking to Gacobi. He was frustrated because it seemed that the dealership had lost his paper work. While waiting I noticed that my paper work had the wrong color vehicle on it and that there were some parts that they said needed to be replaced. We started looking and determined that I had Gacobis paper work and mine was lost. The manager came after we presented our concerns and took the paper work and said she would be back. I told Gacobi that My God was about to give us both our service for free. He laughed and said "Nah things like that just don't happen." I said "with my God they do!" Moments later they brought both of us our paper work and said to have a blessed day. God gave us both our service for free. It was amazing to hear Gacobi say that he would like to come visit our church. God Proved himself. During our yard sale, I probably invited 100 people to church for Resurrection Sunday. The Lord sent Ken and Kimberly by our way and the Lord allowed me to share my faith and present the Gospel to Ken and Kimberly. When it was all said and done Ken hugged me and promised to be at church on Sunday morning. I'm so thankful that there are still people that keep promises. Ken and Kimberly came to our sending church and had a great time. **Please pray for them and the many others that we shared with and invited that they would find a church home and get plugged in. Would you pray with us as we head to our field conference in Branson Missouri this week and then our upcoming appointments back on the east coast in the weeks ahead. We are so thankful for the 4 new partnering churches and we ask that you pray with us for the remainder of our support to come by summer.**
