

Dear Praying Partner,

Well Folks, God has done it yet again. Another month has passed and God has seen us through. Thank you all so much for your dedicated prayers for our safety and support. God has added several new supporting churches since our last letter was sent. We are praising the Lord for the 40 supporting churches we have now. God is so very good! I have said it to you all before and I say it again, it's not because of us. It's all because of the Holy God working through us. We are on the road now in NC at a missions conference with an incredible church. Would you pray that our hearts will continue to be knitted together and they would be added to the list of churches that deputize us on their behalf to go to the People of NYC. We have meetings in MD, NY, IL, GA, and NC coming up. Would you continue to pray with us that the remainder of our needed support would be revealed to us by March. We know that every thing is in Gods timing. We certainly want to be sensitive to the Lords will for our lives and the ministry that we are in right now. However we are asking God to send us now! Souls are stepping out into eternity every moment. Souls that right here in America have never heard the True Gospel.

Pray with us for the Jews in NYC!

The Lord has really burdened my heart as of late with the Jewish people. I recently watched a documentary about the US and its involvement in the Holocaust. Maybe you will be as surprised as I was to hear, that many Jews lives could have been spared if America had done one simple thing, open its borders to the refugees. Anti-Semitism was very prevalent in the early 1900's here in America and all over the world. When the evil that took over Germany known as Hitler decided to rid Germany of the Jews he first sought that they all be removed from Germany. The Jews would seek asylum here in America. However the simple truth is that America expressed the fact that they didn't want them here either. Many nations shared in Americas disdain for Gods chosen people and also rejected most refugees. Hitler was fueled by the fact that no one wanted the Jews and so he set fourth to remove them all by killing them. How many Jews could have been saved if America would have opened our doors to them. This Anti-Semitic attitude toward Gods People still exists in America this very day! I just read an article from some time back, about the Jewish Man pictured to the left and how he was beaten in Brooklyn simply for being a Jew. In recent years there has been a rise of Anti-Semitic violence and crime done toward the Jews of NYC. There are over 1 Million Jews living in NYC in 2022. Just to put that in to perspective, there are 6 million Jews living in Israel. These zealous men and women of God need to know that Jesus loves them so much the he went to the cross for them also. Would you pray that the Jews here in America could be reached with he Gospel. Also pray for those that would choose to do them harm.
