## Merry Christmas

Dear Pastors, Church Friends, and Family

Wow is all that I can say!! So many times, since this journey has started, I have looked at our situation and said well, God can't use us because we haven't been in the Ministry for very long or because we don't have enough college credits, or whatever else we felt made us ineligible or inadequate. I look back now that this whole process of applying with BIMI is behind us and just think, that was God!! In all of the situations that we had doubts about he showed us just how in control he is.

As we enter this Christmas season and remember our Saviors Birth, let us not forget about the ultimate sacrifice that he made for us all. I love this time of the year because it seems that people are just nicer. Even people that don't have the saving knowledge of Jesus and the Holy Spirit living inside of them seem to just be happier. Maybe it's the presents, Candy Canes, Bright lights, or maybe it's the fact that even the Lost have to acknowledge Christ when they celebrate CHRISTmas. Whatever the reason let's not allow an opportunity to pass where we don't share just what Jesus has done for us in our lives. Yes, his birth is why we celebrate Christmas, but His Death, Burial and Resurrection is why he came to begin with.

We would ask that you would be in prayer for us as we step out into the ministry of Deputation. We will begin dropping into other Churches in Georgia beginning in January. I also will begin calling Pastors and trying to fill our calendar so that we can go and minister to people. Would you pray for wisdom in booking these appointments? Would you also pray for Gospel Light Baptist Church in Jamaica Queens? This is where we are praying that God will allow us to go and partner with the Dice family.

In Christ
