

The Bradleys to New York City

Dear Praying Partner,

"It is of the LORD'S mercies that we are not consumed, because his compassions fail not. They are new every morning: great is thy faithfulness." (Lamentations 3:22-23) These have been our life verses over the last two months. I'm so thankful for his mercies which are new each day. Thank you so much faithful friends for your prayers and unwavering support for the work here in NYC. We are delighted to tell you that we have had several new churches partner with us to reach NYC. We are now at 86% of our needed support coming in, with more promised but uncounted. **Pray with us that God will provide the remainder of our needed support ASAP.**

The past two months have been really productive and good. While visiting churches and going to meetings we also had the privilege of helping Gospel Light Baptist Church with their biggest outreach event of the year, Gospel Preaching in the Park. We very much enjoyed being able to preach and participate in this event. A supporting church, Fellowship Baptist Church from VA, brought a group up and they were such a blessing throughout the week. They gave themselves completely to the event and although a long week, it was a good week. The Lord provided fruit with 4 people making professions of faith. **Would you pray for Ginger, Gordon, Demetrius, and Arianna, pray that they will be discipled and grow in the Lord.** We also made a trip down to GA to get the last trailer load of our things. While we were there I

had the opportunity for 4 preaching engagements. One of which is the Atlanta City Baptist Rescue Mission. It was a privilege to preach to these men and I am so thankful for the two that God spared from Hell that night. Please pray for Errol, and Eric. Pictured is Errol. Both men are homeless. The sin issues that we all face are magnified when you live on the street, **Please pray again for discipleship and for their well-being.** We are looking forward to missions conference season and we have a few on our schedule, as well as other meetings. **Pray that God would use these churches to help us finish deputation. Pray for wisdom as we now start to transition from pre-field ministry to on the field ministry. Pray about an exact location for the church building.** We trust that the exact right place is there and will be available in Gods perfect timing. **Pray for those that we will begin to reach with the Gospel as we begin the process of planting Way of the Cross in Fresh Meadows NY. Would you pray for the Logistics and Legalities around starting the church in a city that isn't necessarily church friendly although they aren't anti-churches either.** We are so excited about what God is doing and what he is going to do in 2025! So many have prayed and supported us and we are so very close now to all the preparation and planning coming to fruition.

The Bradleys Happening's

While in Georgia, a few big things happened. Jamie's Grandmother Mary Myers had fallen and was in the hospital. Also my Brother Thomas and his wife Holli's baby was due mid August. As we were on our way back out of town, we receive back to back calls from Jamie's Mom and my Brother. Jamie's Grandmother was doing worse and baby Helmsley was coming any minute. So God gave us the ability through some great friends the Hale Family to go back and stay another week. **Jamie's Grandmother is doing better and in a rehab facility now pray for her,** and Helmsley Shaw was born a very healthy 8lbs 12oz. **Mom and him are both doing great please pray for them and their growing family.**
