

Bring yourself, a date or your top 8!

Remember 2009? The time of Myspace, HotTopic and the battle of Emo vs. Scene kids. We are throwing a reunion party bringing you back to the era of bleeding hearts, sensitivity, and introverted teenage angst.

Cry to your favorite music from: [#MyChemicalRomance](#) [#Paramore](#) [#TakingBackSunday](#) [#FallOutBoy](#) [#AFI](#) [#TheUsed](#) [#Panic!AtTheDisco](#) and more. Live performance by [Taking Back Emo](#)

Take the classic Myspace selfie and tag [#MySpaceEmoProm](#)

Come as you are, wear your favorite Hot Topic attire or dress to impress for your chance to be crowned PROM KING/QUEEN/EMO ROYALTY!
